Advertisement for Faculty Recruitment

Sri Aurobindo University, Indore invites applications from eligible Indian Nationals and OCIs for faculty and research positions in the **Department of Regenerative Medicine & Organ Transplantation**, under the upcoming **M.Sc. Programme in Stem Cells & Regenerative Medicine**.

1. Faculty Positions

(a) Associate Professor – 01 Post

- **Qualification:** Ph.D. in Stem Cells / Regenerative Medicine / Cell Biology / Translational Medicine or allied area with First Class or equivalent at the preceding degree.
- **Experience:** Minimum 10 years of teaching/research/industry experience, with strong extramural funded research projects.
- **Essential Requirements:**
 - Demonstrated expertise in stem cell biology, regenerative medicine, organoid technology, or translational research.
 - Strong publication record in peer-reviewed indexed journals.
 - Proven track record of independent research funding (ICMR/DBT/DST/CSIR or equivalent).

(b) Assistant Professor – 01 Post

- **Qualification:** Ph.D. in Stem Cells / Regenerative Medicine or allied discipline with First Class or equivalent at the preceding degree and excellent academic record.
- **Experience:** Minimum 3 years of post-Ph.D. teaching/research experience (excluding Ph.D. period).
- **Essential Requirements:**
 - Active research in stem cell and regenerative medicine.

Sri Aurobindo Institute of Medical Sciences

Dist. Indore, MP (India).

Web: <https://www.sriaurobindouniversity.edu.in/>

- Quality publications in indexed journals; experience in funded projects desirable.

2. Junior Research Fellow (JRF) – 02 Posts

- **Qualification:** M.Sc. in Stem Cells / Biotechnology / Life Sciences / Molecular Biology or allied discipline with First Class.
- **Desirable:** Research experience in stem cell culture, molecular techniques, organoid models, or regenerative medicine. NET/GATE qualification preferred.
- **Role:** To work in funded/ongoing research projects in stem cells and regenerative medicine.

General Instructions

- Applicants must submit detailed CV including educational qualifications (with year of Ph.D. award), list of publications, details of funded projects, teaching/research experience, date of birth, and names of at least three referees.
- Only candidates with strong background and proven research credentials in **Stem Cells & Regenerative Medicine** should apply.
- The University reserves the right to fill or not to fill the positions.

Last date for submission of application: 14 APRIL 2026
