## Sri Aurobindo University, Indore ANTI RAGGING WEEK 12-18 August

Anti Ragging Week was Organized in Sri Aurobindo University, under the guidance of Dean Student Welfare Dr. Jaishree Tapadia.

Following are the list of event organized in respective college by students

**Poster competition** - On August 13th Sri Aurobindo Medical College & P.G. Institute, Indore celebrated Anti-Ragging week on the theme Join Hands to make campus ragging free. A Poster competition was held at Lavender Hall 5th floor, Medical College. The event commenced in the presence of our chief guest Dr. Jaishree Tapadia, Dean, Student Welfare, Sri Aurobindo University. MBBS 2nd year students participated in the poster competition which was very informative, there were around 48 participants in this competition.

The posters are focused on a broad spectrum of ragging-related physical, behavioral, emotional, and social problems among victims and are attributed to the increased risk of suicide and drop-outs among students. Awareness was created among students about strict rules and punishments which the offenders may have to suffer due to any act of ragging in the institution.

The event was conducted under the guidance and supervision of the esteemed Dean Student Welfare Dr. Jaishree Tapadia, who appreciated the efforts of all the participants and spoke about the importance of co-curricular activities in holistic medical education. Her words inspired students to continue engaging in such enriching activities alongside their academic pursuits.

After a thorough evaluation by the judges, the winners of the competition were announced. The first, second, and third-place winners were awarded certificates and acknowledged for their exceptional work. The certificates were distributed by the Dean herself, making the moment memorable for the winners.

The event concluded with a vote of thanks, and all participants were commended for their enthusiasm and hard work, marking the event as a significant success.

## ANTI RAGGING WEEK ...

**Singing Competition** - During the commencement of Anti-ragging week many competition were held and the students were given an opportunity to showcase their talent, that is their voices. Participants were tuning their voice to the songs they were going to present. All the preparations were done. Honourable judges Dr. Atul Bhatt and Dr. Khushbu Badjatiya graced us with their presence. The score cards were handed out to the judges and the program began. All the participants sang brilliantly. The whole room got filled with melody and humming. Some songs were so good that even the audience sang with the participants.

Then the results were declared, giving first prize to Vidit Runwal for "Oo ri Chirraya", second prize to Ritik bhawsar for "pehli mohabbat" and third prize to Ayushi joshi for "Opalanhare". Thus the event was concluded.

**Logo and Eassy Competition** – Sri Aurobindo University proudly presents the "Unity Against Ragging" competition, an initiative aimed at fostering a safe, inclusive, and respectful campus environment.

The event was conducted by Dr. Deepti Garg, Associate Professor, Sri Aurobindo Institute of Allied Health & Paramedical Sciences. This event invites students of BPT, BOT & DMLT from Sri Aurobindo Institute of Allied Health and Paramedical Sciences to participate in a series of competitions designed to raise awareness about the harmful effects of ragging and to promote a culture of mutual respect and support.

## World Breastfeeding Week-Dept. of Pediatrics

The Department of Pediatrics at SAMC and PGI Indore celebrated World Breastfeeding Week in the first week of August under the theme "Closing the Gap - Breastfeeding Support for All." The event, which was very meticulously organized by our dedicated Senior Residents, featured a variety of activities.

The celebrations commenced with an intercollegiate PG quiz, followed by a poster competition for paramedics and students. A role play, prepared wholeheartedly by our postgraduate and undergraduate students, was conducted for antenatal and postnatal mothers, nursing staff, and all the doctors in our department. This role play delivered a clear message about the importance of breastfeeding and helped dispel many myths surrounding it.

The event saw active participation from our postgraduate and undergraduate students, contributing to its overall success.
