Independence Day Celebrations at Sri Aurobindo Hospital, SAU

On 15 August 2025, we proudly celebrated the spirit of freedom with a grand flag hoisting ceremony in the presence of our respected Founder Chairman Dr. Vinod Bhandari, Chancellor Dr. Manjushree Bhandari and esteemed dignitaries. Their presence made the occasion truly memorable, as we honoured, our nation's journey with pride and patriotism.

India is witnessing the inception of the health revolution through Surgeons on Wheels

'Surgeons on Wheels' is a wonderful gift that our country offers to the entire medical world, equipped with the most modern technology in the world. Capable of bringing revolutionary changes in the medical field. Under this concept, surgeons will perform operations while sitting at a robotic console inside a moving bus, while the patient will be in the hospital's operation theater. This is not a fantasy, but a historical reality created by the 'Made in India' robot - SSI Mantra & Sri Aurobindo Institute of Medical Sciences (SAMS) partnership.

Why should surgeons be on wheels?

In the medical field, there are many situations where a surgeon on wheels can prove to be a life-saving shield.

- 1. Stroke case in a village - The patient is in the village hospital, but the neurosurgeon is only available in the city. A bus can immediately reach the village and perform live robotic surgery.*
- 2. Accident in remote areas - In mountainous regions or disaster areas (earthquake, flood, tsunami), the bus can serve as a means for the surgeon to perform surgery on the spot.*
- 3. Rare specialist skill set - Some specialists (like those performing complex robotic cancer surgeries) are not available in every city. The network of buses can extend this service to every small town.*
- 4. Multi-city hospital network - The bus can be stationed in every city of a hospital group. Surgeons can operate on patients from anywhere while on the move.*
- 5. Emergency situation in war or border - When soldiers are injured at the border, instead of bringing them to the hospital, the bus can deliver the surgeon's skills right there.*
- 6. Pandemic-like situations – where it is difficult for doctors to travel, remote operations will be possible only with buses.*
- 7. Airplane or train accidents – only buses can reach the site immediately and provide robotic surgery facilities.*
- 8. Situations where the patient cannot move – if a serious ICU patient cannot be shifted to the city, the bus can take the surgeon to the hospital.*
- 9. Transplant emergencies – liver/kidney donor in one place, patient in another. The surgeon can operate directly at the donor site via the bus.*

10. Inter-city robotic consultation – the bus can connect with different hospital networks while in motion and can perform back-to-back operations. (In many such situations, 'Surgeon on Wheels' can become a future necessity and a lifesaver for patients.)

India - The Leader of the World

“Today India has once again shown the world that healthcare is not just limited to buildings and walls. Now surgeries will be done on wheels, and expertise will reach every corner. The collaboration between SAMS and SSI Mantra has made this possible. This gives a new direction to India's Prime Minister Mr. Narendra Modi's 'Make in India' initiative.”

Due to the facility of Surgeons on Wheels, surgeons will no longer be bound by borders. Wherever the patient is, the surgeon will reach there.” Thus, this is not just technology, but the beginning of a healthcare revolution in India.

Indian Surgeons Paving the Way for the World

o Dr. Vinod Bhandari – A visionary leading continuous revolutionary initiatives at SAMS.

o Dr. Sudhir Srivastava – A visionary providing indigenous robotic technology to India through SSI Mantra.

o Dr. Mohit Bhandari – Asia's most famous weight-loss surgeon and the first in the world to perform live robotic surgery from a moving bus.

o Dr. Mahak Bhandari – The first in the world to perform tele-robotic surgery for hernia, a renowned surgeon from Indore and across the country.

Congratulations Dr. Mahak Bhandari **World-Renowned Surgeon Awarded PhD in Surgery**

Dr. Mahak Bhandari, Managing Director of Sri Aurobindo Institute of Medical Sciences (SAIMS) and a globally recognized surgeon has been conferred with a PhD degree by Madhya Pradesh Medical Sciences University, Jabalpur for thesis titled “Study the comparison of One Anastomosis Gastric Bypass (OAGB) and Banded One Anastomosis Gastric Bypass (BOAGB) with fixed Billopancreatic Limb of 180cm”.

Congratulations Dr. Jyoti Bindal

Dr. Jyoti Bindal honoured with prestigious “Charak Award” by Indian Medical Association

A moment of great pride for the medical fraternity Dr Jyoti Bindal has been selected for the prestigious Charak Award by the Indian Medical Association (IMA), Madhya Pradesh State Branch, for the year 2024-25. The announcement was made through an official communication from IMA State secretary Dr Pushpraj Bhatele, stating that the decision was taken unani-mously by the Awards Com-mittee. The award will be formally presented during the 67th Annual Medical Confer-ence of IMA MP State Branch to be held at Balaghat on October 4 and 5, 2025.

Expressing her gratitude, Dr. Bindal said, "I feel blessed to receive the highest award in IMA, M.P. the Charak Award for the year 2025. This honour is even more historical and emotional for me because my father, Prof. Dr VK Agarwal, was also honoured with the same Charak Award earlier. To be able to follow in his footsteps and uphold his legacy is truly humbling" The Charak Award is considered one of the most prestigious recognitions given by the Indian Medical Association to individuals for their outstanding contribution to the field of medicine and healthcare. Dr.Bindal's selection high-lights her long-standing commitment, achievements, and leadership in the medical community.

Mhow Army Hospital Camp at Mhow

Healthcare with gratitude

On 22.08.2025 Sri Aurobindo Hospital, Indore, organized a special camp at Mhow Army Hospital to extend medical support to our defenders and their loved ones.

Stillbirth: Prevention & Management – National Conclave at IRCAD India

On August 2–3, 2025, IRCAD India successfully hosted the Stillbirth: Prevention & Management conclave — a first-of-its-kind national initiative led by Course Directors Dr. Shweta Bhandari, Prof. Dr. Tamkin Khan, and Dr. Anita Kaul. The two-day academic event brought together over 100 participants and a distinguished panel of national and international faculty, all committed to addressing the critical issue of stillbirths in India.

The program featured three focused workshops:

- *CTG Mastery in the Labour Room* . – empowering clinicians with skills for early detection and timely intervention
- *Perinatal Autopsy*. – training professionals in identifying biological causes to prevent future losses
- *Bereavement Care*. – equipping healthcare providers with compassionate tools to support grieving families

A full-day Scientific Program followed, covering evidence-based lectures, real-case discussions, and a dynamic academic debate on Elective Induction at 39 Weeks.

This event marked an important milestone in advancing clinical excellence, diagnostic clarity, and empathetic care in the field of maternal-fetal health.

IRCAD India is proud to lead this movement for meaningful change.

Congratulations Dr. R.K. Jha

In National Conference of CCDSICON 25 KOTA , Prof Dr Rajesh Kumar Jha was awarded Fellowship Of ICCMD on 23/8/25 by Prof Dr Jyotirmoy Pal ,Prof Dr Madhukar Rai. Prof Dr Anil Kumar Virmani, Prof Dr A N Rai and, Prof Dr K K Parikh.

Multi-Specialty Health Camp at the High Court, Indore

Healthcare at Your Doorstep!

23.08.2025 Sri Aurobindo Hospital, Indore, proudly organized a Multi-Specialty Health Camp at the High Court, Indore.

Our expert doctors provided consultations across multiple specialties, ensuring early detection, awareness, and guidance for a healthier tomorrow.

A step towards community wellness, preventive care, and spreading the message: "Health First, Always!"

Hybrid Hands-on Basic Upper GI Endoscopy Training Course | August 2025 Edition

The August 2025 edition of the Hybrid Hands-on Basic Upper GI Endoscopy Training Course at IRCAD India concluded successfully with a fully booked batch of 21 participants. Designed specifically for beginners, the course provided a powerful blend of pre-recorded theoretical modules and a 2-day intensive hands-on training at our world-class facility in Indore.

Over the two days, participants engaged in:

- Pre-recorded demonstrations of diagnostic and therapeutic upper GI procedures
- Simulator-based practice on mechanical, virtual, and animal models
- One-on-one mentorship by expert faculty
- Comprehensive sessions on cleaning, disinfection, and accessory handling
- Endoscopic techniques for GERD, bleeding, foreign body removal, and more

Course Faculty:

· Dr. S. Easwaramoorthy (Course Director), Dr. Mahak Bhandari (Course Director), Dr. Manoj Kela, Dr. Mohd. Talha Noor, Dr. Sakthivel, Dr. Senthil M, Dr. Satyapriya DeSarkar

The course concluded with high satisfaction scores and confident smiles as each participant walked away equipped with practical experience, certification, and renewed enthusiasm.

Congratulations Department of Ophthalmology

The Systemic Undercurrents Of Oculomotor Dysfunction

Dr. Shreya Thatte Dr. Aashi Bansal Dr. Nitansha Yadav Dr. Shreya Mahanaik

The Department of Ophthalmology is delighted to share that our Residents Dr. Nitansha Yadav and Dr. Shreya Mahanaik, under the guidance of Dr. Shreya Thatte (Professor and Head of Department) and Dr. Aashi Bansal (Assistant Professor) have secured First Place in the prestigious state competition "Preceptors of the Future 2025", organized by the MPSOS Scientific Committee. This competition was designed to encourage and evaluate young ophthalmologists on their potential as future educators and leaders in the field.

Each participating team was assigned a specific topic, with one member presenting a case and the other delivering a presentation on the given theme. The event was conducted in multiple phases across four zones of Madhya Pradesh, involving participation from 16 medical colleges making it a truly competitive platform at the state level.

Our team secured first place in the initial zonal round held in May 2025.

The final round, held on 3rd August 2025, brought together the four winning teams from each zone and was judged by a distinguished panel of experts from renowned institutions across India.

We are delighted to share that our team emerged victorious, winning First Prize among all participating medical colleges across Madhya Pradesh.

Congratulations

- Dr. Mansi Choudhary has successfully participated as a delegate in the stillbirth : Prevention & Management Course held at IRCAD India on 2nd - 3rd August 2025.
-
- Dr. Mansi Choudhary has also participated as a Judge for the Poster competition on the occasion of "World Breastfeeding Week 2025" organized by BGHI College of Nursing Indore held on 02 August 2025.

Congratulations

Dr. Kavita Pal, Associate Professor, Sri Aurobindo Institute of Medical Sciences College of Nursing, Indore participated in the 3-Day National Online Workshop on Variable Identification and Questionnaire Development held from 22nd to 24th August, 2025 held at Sayyid Muhammed Ali Shihab Thangal Memorial Arts & Science Women's College, Kerala

Rheuma Connect 2025

Sri Aurobindo University, Indore proudly hosted the IRA SD Deodhar Rheumatology Quiz at Lotus Hall, SAIMS Medical College on 31st August 2025. With the theme Collaborating Across Specialties for Better Patient Care, the event brought together brilliant minds in the field of Rheumatology to exchange knowledge, foster collaboration, and inspire young medical professionals. This academic gathering not only highlighted innovative approaches in patient care but also strengthened the spirit of teamwork among specialties.

DEPARTMENT OF ENT

MP-PG Orientation Program 2025

The Association of Otolaryngologists of India successfully organized the MP-PG Orientation Program 2025 at IRCAD India, Sri Aurobindo University, SAIMS.

This one-day pre-examination orientation program brought together 3rd-year ENT Post-Graduate students from across the state.

Dr. Vishal R. Munjal, Professor and Head, Department of ENT, SAIMS and 18 consultants from various medical colleges of Madhya Pradesh gave expert guidance and conducted insightful sessions along with academic interactions with the students.

The program was aimed at empowering young doctors for their upcoming exams and future careers.

A step forward in shaping the future of medical excellence.

Department of Pediatrics, SAIMS

The Department of Pediatrics, SAIMS celebrated World Breastfeeding Week (August 1–7) under the empowering global theme: "Prioritise Breastfeeding: Create Sustainable Support Systems,"

Highlights of the Celebration: Poster Competition – Creative posters by undergraduate and nursing students to raise awareness about the importance of breastfeeding.

Awareness Talk – Informative sessions for nursing staff of the OBGY and Pediatrics departments, emphasizing evidence-based breastfeeding practices.

Role-Play Sessions – Interactive demonstrations for antenatal (ANC) and postnatal (PNC) mothers, focusing on proper techniques, debunking myths, and building confidence.

Inter-College Quiz – A stimulating quiz for postgraduate students to deepen their understanding of breastfeeding's health, developmental, and systemic importance.

Mother–OBGY Collaboration – Direct engagement with mothers, alongside input from the OBGY department, to foster community and encourage peer support.

Organizing Team: Spearheaded by Dr. Apurva Kawdiya, with tremendous support from Dr. Shivangi and the ever-enthusiastic postgraduate students, ensuring a well-organized and impactful week of activities.

REPORT ON CISP-III (AUGUST 2025)

“Education is not the learning of the facts, but training of the minds to think.”

—Albert Einstein.

Curriculum Implementation Support Program (CISP-III) was conducted on 18th & 19th August, 2025 under the aegis of Sri Aurobindo Medical College & PG Institute, Indore and under the patronage of Founder Chairman Dr. Vinod Bhandari, Chairperson and Dr. Manjushree Bhandari.

Venue: Reginal Training Centre, Medical Education Unit, SAIMS, Indore.

The routine of beginning the workshop with blissful morning prayer was followed religiously at the beginning of each day's session. The Curriculum Implementation Support Program (CISP-III) workshop was conducted on 18th & 19th August, 2025 with participation of 27 senior faculty including some Deans, Heads of Departments and senior Professors of the various Medical Colleges across Madhya Pradesh as well as some participants from GMC Banswara, Rajasthan. There were three in-house participants from our institute as well.

The inauguration session was conducted by Dr. Nitin Nema, Convenor, RTC MEU, SAIMS, Indore, in the presence of Dr. Praveen Arora, co-convenor, Dean Dr. R.R. Wavare and Dr. KK Arora, Coordinator.

The participants had discussion regarding implementation of the new curriculum at their respective institution keeping the goal of making better IMGs (Indian Medical Graduates). The CISP-III was also a thought provoking instrument among the senior faculties, who attended the workshop.

The workshop witnessed the knowledge sharing by Resource Faculties of RTC, MEU, SAIMS, Indore. The lectures were conducted by resource faculties viz. Dr. Nitin Nema, Dr. Praveen Arora, Dr. K.K. Arora, Dr. Kavitarati Dharwadkar, Dr. Manjunath Motagi, Dr. Vishal Surwade, Dr. Apurv B. Thakur, Dr. Prachi Paliwal and Dr. Bandita Medhi, under the able guidance of senior resource faculties of the MEU.

NMC Regional Center for Medical Education Technologies Sri Aurobindo Medical College & P.G. Institute Indore (M.P.) Curriculum Implementation Support Program-III Workshop for M.P. & Raj. State, Indore 18th August to 19th August 2025

Left to Right Sitting (1) Dr. Prachi Paliwal (2) Dr. Bandita Medhi (3) Dr. Kavita Dharwadkar (4) Dr. Praveen Arora (Co- Convenor, NMC, RTC, SAIMS) (5) Dr. R.R. Wavare (Dean) (6) Dr. Manjushree Bhandari (Chairperson, SAIMS & Chancellor, SAU) (7) Dr. Vinod Bhandari (Founder Chairman, SAIMS) (8) Dr. Nitin Nema (Convenor, NMC, RTC, SAIMS) (9) Dr. K. K. Arora (MEU Coordinator) (10) Dr. Manjunath Motagi (11) Dr. Vishal Surwade (12) Dr. Apurva Bhupendra Thakur

Standing 1st Row: - (1) Dr. Kalpana Saxena (2) Dr. Sunil Kant Guleri (3) Dr. Sumit Kumar (4) Dr. Mustafa Ali (5) Dr. Varuna Pathak (6) Dr. Aruna Singh (7) Dr. Sunil Agrawal (8) Dr. Piyudeo Mahant (9) Dr. Shailendra Singh Bhadauria (10) Dr. Ashok Kumar (11) Dr. Dinesh Kumar Meena (12) Dr. Vibhas Gupta (13) Dr. Girjesh Gupta (14) Dr. Sudarshan Gupta

WORLD BREAST FEEDING WEEK CELEBRATION by SAIMS College of Nursing

WORLD BREAST FEEDING WEEK was celebrated from 1st August to 7th August 2025 under the guidance of Prof. Dr. Reshmi Siby, Principal, Dr. Mansi Choudhary, HOD, OBG Dept. & Dr. Manoj Swarnkar, HOD, CHN Department. B.Sc. Nursing 8th semester and 6th semester students participated in Poster Competition, Health Education & A Lecture on Theme: - *Prioritize Breastfeeding: Create Sustainable Support System.*

Judges of poster competition were Dr. Prof. Jaishree Tapadia, Dean, Student Welfare Department, Sri Aurobindo University & Dr. Sunita Mishra, Prof. Obstetrics & Gynaecology Sri Aurobindo Institute of medical sciences Hospital and Post Graduate Institute.

On 1/8/25 Poster Competition was organized total 15 groups of students participated in the competition and 1st prize for poster competition was won by Group A - Aarti, Aastha, Akashdeep, Anjali Satpute (B.Sc. Nursing 6th semester, SAIMS), Group H won 2nd prize the students were Aayushi Bundela, Harpal, Santosh, Radha, Pawan (B.Sc. Nursing 6th semester, SAIMS). 3rd Prize winners were Yogita, Divya, Kapil (B.Sc. Nursing 6th semester, SAIMS), Consolation Prize winner was Priyanka Garg MBBS Final Year.

On 2/8/25 Health Education given by B.Sc. Nursing 6th semester students at G12 ward and KMC Ward to all antenatal & Postnatal Mothers. Dr. Gunjan Kela HOD & Prof. of Child Health Department, SAMC & PGI, Indore took session on *Prioritize Breastfeeding: Create Sustainable Support System* at Sunflower Hall, second floor.

All the events were Coordinated by Faculties of Obstetrics & Gynaecological Nursing & Child Health Nursing Department.

REPORT ON WORLD BREAST FEEDING CELEBRATION 2025

Breast Feeding Theme; “Prioritise Breastfeeding: Create Sustainable Support Systems”

THE WORLD BREAST FEEDING WEEK was celebrated from 1st august to 7th august 2025 in BGHI college of nursing Indore. Under the fruit full and valuable guidance of Prof. Dr Prerna Pandey, Principal BGHI College of Nursing. All B.Sc. Nursing & GNM students have participated in this breast-feeding week and they contributed in making posters and participated in quiz competition.

On the 2nd august 2025 poster competition was organized by paediatric nursing and OBG department under the guidance of Prof. Dr. Sumit Padihar, HOD, Paediatric nursing and the judges were Dr Jayshree Tapadiya, Dean of students' welfare, SAU, Indore and Prof. Dr Mansi Choudhary, HOD of OBG Department, SAIMS College of Nursing, Indore. After that Health education on breast feeding was given by the B.Sc. Nursing 3rd year and 4th years students in OPD, Mohak hospital. In this they provide knowledge about breast feeding, types of breast milk, positions for breast feeding, techniques of breast feeding and also advantages of breast feeding for baby and mother.

FIRST PRIZE won by- GROUP 1- 1.Nikita Verma, 2.Deepika Prajapat, 3.Deepa Choudhary

SECOND PRIZE won by GROUP 4- 1.Kalyani, 2.Radha Dangi, 3. Manisha Nagar

CONSOLATION PRIZE won by GROUP 10-1.Neeraj Kumar Nirala, 2.Bhaskar Tiwari, 3.Hitesh Dhakad

On the 4th August, 2025, Quiz Competition was organised in BGHI College Of Nursing, Indore, with the presence of Dr Jayshree Tapadiya, Dean of students' welfare, SAU, Prof. Dr Gunjan Kela, HOD of Paediatric Department SAIMS Hospital, all faculties and students. On this day judges were Dr Sunita Mishra Jha, Unit incharge of OBG Department SAIMS Hospital and Dr Manoj Swarnkar, Associate professor, HOD of Pediatric Department, SAIMS College of Nursing, Indore. Anchoring was done by Mr. Siddharth Kushwah. Welcome speech given by Prof. Dr. Prerna Pandey, Principal, BGHI College of nursing. Quiz competition hosted by Prof. Dr Sumit Padihar, HOD of Paediatric Department, BGHI College of Nursing, Indore. Vote of Thanks given by Ms Simran.

After the poster competition prize/trophy and certificate distribution were done by Dr Jayshree Tapadiya, Dean of students' welfare, SAU, Prof. Dr Mansi Choudhary, HOD of OBG Department, SAIMS College of Nursing, Indore. Token of love (trophy and certificate) given to the judges by Prof. Prerna Pandey, principal, BGHI College of nursing and Dr Sumit Padihar, HOD of Paediatric Department, BGHI College of Nursing, Indore.

FIRST PRIZE won by- GROUP E- TEAM GAME CHANGERS 1.Mansi Dharam 2.Priyanka Kanathe 3.Vikram Kumar.

SECOND PRIZE won by GROUP B- TEAM CHALLENGERS 1.Hariom Nagar 2.Kashish Kumrawat 3. Monika Nagar.

After the whole programme, prize and certificate distribution were done by Dr Sunita Mishra Jha, HOD of OBG Department SAIMS Hospital and Dr Manoj Swarnkar, Associate professor, HOD of Pediatric Department, SAIMS College of Nursing, Indore, Prof. Prerna Pandey, principal, BGHI College of nursing and Dr Sumit Padihar, HOD of Paediatric Department, BGHI College of Nursing, Indore.

WORLD BREAST FEEDING WEEK (DEPARTMENT OF COMMUNITY MEDICINE)

The Department of Community Medicine of Sri Aurobindo Medical College and PG Institute, under the Patronage of our Founder Chairman (Dr. Vinod Bhandari) and Chancellor of Sri Aurobindo University (Dr. Manjushri Bhandari) successfully conducted Health talk for Breast feeding awareness and promotion at Anganwadi center Pardesipura, Indore on 5th August 2025 on the occasion of World Breast feeding week which was from 1st August to 7th August 2025.

The activities were planned under the guidance and encouragement of Dr. R.R Wavare, Dean SAMC & PGI and supervised by Dr. A.R Deshpande, HOD Community Medicine, Dr. Mayank Rahul Professor, Dr. Shruti Shastri Associate Professor, Dr. Shivam Astonkar JR1, Dr. Shubham Jadhav JR1, Mr. Sanjay Patel (MSW), Mr. Sumit Jirati (PRO), Interns and support from the entire Department of Community Medicine. Every day of this week was special. The field work i.e Health Talk was conducted by Interns in Anganwadi center Pardesipura Indore on 5th August. Dr. Shruti Shastri, Associate professor from the dept. Also gave her brain storm ideas which made interns more dialect and encouraged them for public speaking. We were glad to have her on field. An interactive awareness session was conducted by Junior Residents with community members specially those who were pregnant and Mothers of infants. Method of how to Breast feed the baby was demonstrated by Interns. Posters were made by Interns and demonstrated at anganwadi center to enhance knowledge about breast feeding in the community.

We welcome

*Dr. A.K. Mishra in our Institute of Nuclear Medicine & Radiopharmaceutocals (NMR)
Visiting Professor, Department of Chemistry, IIT Roorkee
Former Director, Institute of Nuclear Medicine and Allied Sciences (INMAS)
Defence Research and Development Organization (DRDO), Ministry of Defence, Government of India*

Dr. A.K. Mishra is an eminent scientist and academician with over three decades of significant contributions to the fields of nuclear medicine, radiochemistry, and molecular imaging. He is also serving as a Visiting Professor in the Department of Chemistry at the Indian Institute of Technology (IIT) Roorkee.

Dr. Mishra completed his M.Sc. in Chemistry from Gorakhpur University in 1984 and obtained his Ph.D. in Chemistry from Banaras Hindu University (BHU), Varanasi, in 1988. His research journey has been distinguished by several prestigious international assignments, including:

Post-doctoral Fellow at Université de Bourgogne, Dijon, France, Research Scientist at the University of California, Davis, USA, Senior Scientist at INSERM U-463, Nantes, France, Visiting Professor at the Max Planck Institute, Germany

Congratulations Dr. Nidhesh

We are happy to inform that our student Dr Nidhesh has got best poster presentation award at 4th annual conference of Madhya Pradesh chapter of Indian Society of Gastroenterology held at Gwalior, I shared my insights on management of atypical chest pain.

Dr. Mohd. Tala Noor
HOD, Dept. of Gastroenterology

Congratulations

We are proud to announce that this year many of our postgraduate students have been selected for various degree speciality courses.

Dr. Manoj Kela
HOD, Dept. of Surgery

Guest Lecture

A guest lecture was delivered by Dr. S. P. Dhaneria, an eminent pharmacologist of national repute, for the postgraduate students of MD Pharmacology. Held as a whole-day session on 26th August 2025, the program focused on key aspects of clinical pharmacology, with special emphasis on the practical applications of pharmacokinetics in individualized drug therapy, the importance of prescription audit as a tool to promote rational drug use, and the role of pharmacovigilance in ensuring drug safety. Dr. Dhaneria shared valuable insights from his vast academic and clinical experience, demonstrated the effect of drugs & interpretation of results in human, enriching the students' understanding of translating pharmacological principles into day-to-day clinical practice. The lecture was highly interactive and stimulated critical thinking, thereby motivating the students to adopt a more evidence-based and patient-oriented approach in pharmacology.

Dr. Kalpana Bharani,
HOD-Pharmacology, SAMC&PGI

School Dental Oral Health Screening Camp was organized by SAU

A School Dental Oral Health Screening Camp was organized by Pediatric and Preventive Dentistry at , MISHRI LAL GANGWAL HIGHER SECONDARY SCHOOL, INDORE on 29 Aug 2025

The camp was organized for children along with the dental checkup for their staff. The children were taught about the good oral habit's along with the demonstration of – how to brush the teeth properly. They were given their dental checkup report and were advised to report to Sri Aurobindo college of Dentistry for the treatment.

More than 180 + children were examined and the team was led under the guidance of Dr. Updesh Masih (Prof & Head), by Dr. Bilal, Dr Rajni, Dr. Raksha and Dr Priyal along with PRO Mr. Pawan.

IMA Indore Activities

79 वां स्वतंत्रता दिवस समारोह

- प्रातः 11:00 बजे IMA भवन, ऐम ओ जी लाइन्स पर ध्वजारोहण किया गया, जिसमें बड़ी संख्या में सीनियर एवं जूनियर डॉक्टर उपस्थित रहे।
- ध्वजारोहण के पश्चात स्व. डॉ. अनिल भाटिया (पूर्व अध्यक्ष, IMA) की स्मृति में वृक्षारोपण हुआ, जिसमें उनकी पत्नी श्रीमती सुधा भाटिया परिवार सहित सम्मिलित हुई।
- तत्पश्चात नवनिर्मित अशोक वाटिका का लोकार्पण अध्यक्ष डॉ. वल्लभ मूंदड़ा एवं सचिव डॉ. सुनील बाँठिया ने किया।
- इसके बाद देशभक्ति गीतों का कार्यक्रम हुआ, जिसका संचालन डॉ. दिलीप बालानी एवं डॉ. प्रमोद झंवर ने किया। डॉ. जितेंद्र बंसल, डॉक्टर मनिंदर सिंह बोरा, डॉक्टर योगेश मालवीय, डॉक्टर केएन गहलोट, डॉ जगदीश सैनी एवं अन्य डॉक्टरों ने भी सुंदर प्रस्तुतियां दीं।
- कार्यक्रम का समापन सभी डॉक्टरों द्वारा सुस्वादिष्ट मालवी भोजन का आनंद लेते हुए हुआ।
- कुल मिलाकर यह आयोजन देशभक्ति, पर्यावरण संरक्षण और सांस्कृतिक एकता का यादगार संगम रहा।

On the occasion of Doctors' Day and CA Day, Hon'ble Mayor of Indore, Shri Pushmitra Bhargav organized a grand felicitation ceremony to honor eminent Doctors and Chartered Accountants of the city.

The event was beautifully conducted by Dr. Vallabh Mundra, President, Indian Medical Association, Indore Branch.

Chief Guest :

Dr. Gurmeet Bindra, Principal, The Daly College, Indore

Felicitation of Renowned Doctors:

Dr. Kailash Lokhandia, Dr. Saurabh Malviya, Dr. O.P. Agrawal, Dr. Sanjay Ahirkar, Dr. Bhagyashri Joshi, Dr. Sunita Harlalka, Dr. Anil Bhadoriya, Dr. Rajkumar Sisiodiya, Dr. Ashutosh Saxena, Dr. S.L. Soni, Dr. Anil Dhasore, Dr. Amlendu Nagar.
