Dr Vinod Bhandari honoured as Special Guest at MP PACES Summit 2026

Sri Aurobindo Group of Institutions takes immense pride in sharing a memorable moment from the MP PACES Summit 2026 where our esteemed Founder Chairman Dr. Vinod Bhandari graced the occasion as the Special Guest

The prestigious summit witnessed the presence of distinguished healthcare professionals eminent national faculty senior clinicians and thought leaders from across the country fostering meaningful discussions and

knowledge exchange in the fields of Pulmonology and Critical Care Medicine .

During the event Dr. Vinod Bhandari shared the stage with Honorable Minister Shri Kailash Vijayvargiya Ji and other renowned dignitaries highlighting the significance of the gathering and its contribution to advancing medical education and healthcare practices.

MP PACES Summit 2026 served as an important platform for academic collaboration innovation and professional development bringing together experts dedicated to improving patient care and clinical excellence. The participation of Dr. Vinod Bhandari at this esteemed event reflects the unwavering commitment of Sri Aurobindo Group of Institutions towards promoting excellence in medical education healthcare services research and academic leadership.

We extend our heartfelt congratulations to the organizers for successfully hosting this impactful summit and contributing to the continuous advancement of healthcare knowledge and practice

Dr. Mahak Bhandari Launches Virtual Reality Therapy and New Preventive Healthcare Initiatives

On 5th June marking his birthday with a meaningful contribution to society Dr Mahak Bhandari, Pro Chancellor, Sri Aurobindo University and Managing Director of SAIMS inaugurated the Virtual Reality Therapy Mindpath Section at Matru Sparsh Usha Divya Bal Mandir.

The advanced AI powered therapy has been introduced to support special children and individuals facing neurological and cognitive challenges. Through immersive and interactive learning experiences the therapy aims to enhance focus memory coordination and overall cognitive development helping beneficiaries lead more active and independent lives.

As part of the initiative, SAIMS also launched the Millennials & Generation X Card for individuals aged 30 to 50 years. The card offers a comprehensive health screening package at an affordable cost encouraging preventive healthcare and early diagnosis.

Recognizing the important role of parents in the development and care of special children, the institution further announced free annual health check ups for parents of special children reinforcing its commitment to holistic family healthcare.

The initiative reflects SAIMS vision of integrating innovation compassion, and accessible healthcare services to create a healthier and more inclusive future for the community. It stands as a testament to the institution's continued efforts to leverage modern technology and preventive healthcare for the betterment of society.

Sri Aurobindo University Celebrates International Yoga Day

Sri Aurobindo University, Indore, celebrated International Yoga Day on 21st June, with great zeal and energy in the early hours of the morning. The event, organized under the leadership of Dean of Student Welfare, Dr. Jaishree Tapadia, commenced at 6:00 AM and witnessed enthusiastic participation from all constituent colleges of the university.

Around 580 students, along with faculty members and staff, participated in the celebration, coming together in a vibrant display of unity, discipline, and wellness through yoga. The presence of the Founder Chairman, Dr. Vinod Bhandari, added inspiration and encouragement to the gathering. His active participation reflected the university's strong commitment to promoting holistic health and traditional wellness practices.

The event was further graced by Dr. Mahak Bhandari, Managing Director & General Secretary, SAIMS, and Pro-Chancellor, Sri Aurobindo University, whose presence motivated the participants. Addressing the gathering, Dr. Mahak Bhandari shared words of wisdom on the importance of adopting yoga as a way of life and emphasized the role of physical, mental, and spiritual well-being in achieving personal and professional success.

Renowned yoga guru Mr. Vinod Bamroliya conducted the session and guided students and faculty members through various yoga asanas and breathing exercises. The session was held in a serene atmosphere, highlighting the theme of well-being, balance, and harmony.

The celebration served as a powerful reminder of the importance of physical and mental health in today's fast-paced world. The event concluded on a positive note and was a grand success, reflecting the collective spirit, discipline, and health consciousness of the Sri Aurobindo University family.

Congratulations

Our Founder Chairman Dr. Vinod Bhandari was invited as a special guest to deliver a talk in “Surgical Wisdom Series-Conversation That Matters”- Surgeons Week celebration of Indore City Chapter-Association of Surgeons of India, on 11-6-2026. He spoke about “The Journey of a Surgeon Entrepreneur-Vision, Challenges & Fulfilment”. The talk was highly appreciated and his practical tips were well taken.

Congratulations

Delivered a talk got fellowship n and chaired the session at 10th Annual Conference “Preventing Death” and Damages from Heart Attack SHAKEHEART 2026 @ Conrad Hotel, Dubai UAE on 14th June 2026.

Dr. Pradeep Gupta

Nivaran Breast Clinic Inaugurated at Jain Diwakar Sri Aurobindo Hospital, Ratlam

In a significant step towards strengthening womens healthcare services in the region The Nivaran Breast Clinic was inaugurated at Jain Diwakar Sri Aurobindo Hospital Ratlam by Dr. Mahak Bhandari Pro Chancellor SAU. The inauguration also marked the launch of advanced mammography services aimed at promoting early detection and screening of breast cancer. This initiative will provide women in Ratlam and nearby areas with access to modern diagnostic facilities, enabling timely intervention and improved treatment outcomes. The event was graced by the presence of distinguished dignitaries including Ms. Misha Singh,-IAS District Collector Ratlam, Mr. Amit Kumar-IPS Superintendent of Police Ratlam, Mrs Manisha Sharma-Chairperson Ratlam Municipal Corporation and Dr Sandhya Belsare Chief Medical and Health Officer-CMHO Ratlam . Addressing the gathering Dr. Mahak Bhandari emphasized the importance of preventive healthcare and regular breast cancer screening in reducing disease burden and improving survival rates. He highlighted the institutions commitment to bringing advanced healthcare services closer to communities and ensuring better health outcomes for women.

The Nivaran Breast Clinic has been established with the objective of creating awareness about breast health facilitating early diagnosis, and providing comprehensive support for breast cancer management. With the addition of state of the art mammography services the hospital is further strengthening its commitment to delivering quality healthcare to the people of Ratlam and surrounding regions.

Certificate Program in Molecular Cytogenetic Karyotyping and FISH Batch II 2026

Sri Aurobindo Medical College and Postgraduate Institute SAIMS Certificate Program in Molecular Cytogenetics Karyotyping & FISH Batch II 2026 on 10th June 2026.

We are pleased to inaugurate the second batch of the Certificate Program in Molecular Cytogenetic Karyotyping and FISH designed to provide comprehensive theoretical knowledge and hands-on training in advanced cytogenetic techniques used in clinical diagnostics and research. The program focuses on chromosome analysis karyotyping fluorescence in situ hybridization FISH interpretation of cytogenetic findings quality assurance and their applications in prenatal diagnosis oncology reproductive genetics and constitutional disorders. The program Organized by us is Supported by: Department of Health Research DHR Ministry of Health & Family Welfare, Government of India.

Principal Investigator: Dr Susmit Kosta, Director and Chief Scientist Department of Molecular Biology and Medical Genetics. We warmly welcome all participants and wish them a successful learning journey in the exciting field of Molecular Cytogenetics and Genomic Medicine constituent institution of Sri Aurobindo University is pleased to announce the inauguration of the Second Batch of the Certificate Program in Molecular Cytogenetic Karyotyping and FISH 2026. This specialized certificate program is designed to provide participants with comprehensive theoretical understanding and intensive hands-on training in advanced cytogenetic techniques that play a pivotal role in modern clinical diagnostics, biomedical research, and genomic medicine.

Program Overview : Molecular Cytogenetic has emerged as a critical discipline in understanding chromosomal abnormalities and genetic disorders. This program offers in-depth training in:

Chromosome Analysis and Identification, Conventional Karyotyping Techniques, Fluorescence In Situ Hybridization FISH, Interpretation of Cytogenetic Findings, Quality Control and Quality Assurance Practices, Clinical Applications in Genetic Diagnostics, Research Methodologies in Cytogenetics, Participants will gain practical exposure to state of the art laboratory procedures and develop expertise in analyzing and interpreting cytogenetic data relevant to clinical and research settings.

The program highlights the application of Molecular Cytogenetics in: Prenatal and Postnatal Genetic Diagnosis, Oncology and Cancer Cytogenetic, Reproductive Genetics and Infertility Evaluation, Constitutional Chromosomal Disorders, Personalized and Precision Medicine.

Dr. Susmit Kosta , Director & Chief Scientist

National Surgeons Week 2026 at SAIMS

The Department of General Surgery, Sri Aurobindo Medical College & PG Institute (SAIMS), Indore successfully organized National Surgeons Week 2026 from 9th to 15th June 2026, transforming the week into a vibrant celebration of learning, innovation, service, wellness, teamwork, and surgical excellence.

The week-long program brought together faculty members, postgraduate residents, interns, undergraduate students, nursing staff, and healthcare professionals through a series of carefully curated activities designed to inspire professional growth, strengthen surgical skills, promote community engagement, and celebrate the rich legacy of Surgery.

DAY-1 : Inauguration, Oath & Inspirational Talk

Theme: Grace Under Pressure – Excellence When It Matters Most.

The week commenced with an inspiring inaugural session highlighting the values of professionalism, dedication, compassion, and commitment that define the surgical profession

Day 2 : *focused on strengthening the human connection between healthcare providers and patients. Residents and faculty interacted with recovered patients, expressing gratitude for their trust and cooperation throughout their treatment journey. Fruits and appreciation tokens were distributed, creating a meaningful patient-centered experience.*

DAY-3 Surgical Skill Hour - Theme: Knots & Sutures Challenge.

A dedicated skill-development session was organized to enhance surgical dexterity and technical competence.

Participants demonstrated knot-tying techniques, suturing skills, and precision-based surgical tasks under faculty supervision. The activity encouraged healthy academic competition while reinforcing essential surgical principles.

DAY 4 -Surgical Quiz - *An engaging academic surgical knowledge, clinical reasoning, decision-making abilities, and emergency management skills Quiz. Residents enthusiastically participated in image-based discussions, Emergency scenarios, and rapid-fire rounds, making the event both educational and enjoyable. Dr. Dilip Kumar Acharya, Adjunct Prof Surgery, was the quizmaster, who conducted the quiz in a very interesting manner.*

National Surgeons Week 2026 Surgeon Wellness Day Celebrated at SAIMS Indore

DAY 5 - Surgeon Wellness Day - Theme: Healthy Surgeons, Better Care

The event was organized under the divine blessings and visionary guidance of Honorable Chancellor Dr. Manjushree Bhandari and Founder Chairman Dr. Vinod Bhandari whose unwavering commitment to excellence in medical education and healthcare continues to inspire the institution.

The occasion was graced by the esteemed presence of Dr. R. R. Wavare Dean SAIMS Dr. Jaishree Tapadiya Dean Student Welfare Dr. Anand Mishra Registrar Sri Aurobindo University along with faculty members and residents from the Department of General Surgery.

The day commenced with an energizing Walkathon, promoting the importance of regular physical activity and healthy living. This was followed by a rejuvenating Yoga and Wellness Session conducted amidst the serene surroundings of the SAIMS campus encouraging participants to embrace mindfulness stress management, and overall wellness.

A significant highlight of the event was the Wellness Pledge where participants collectively committed themselves to maintaining a healthy lifestyle prioritizing self care and fostering habits that contribute to better patient care through healthier healthcare providers.

DAY 6 - Community Service Day

Blood Donation Camp Organized.

Lecture on Organ donation was taken by Dr. A.K. Mishra

DAY 7 - Celebration of Surgical Excellence

Distinguished ex faculty member

Dr. P.K Banerjee joined online from Pune to bless us & Dr. Ajay Lunawat, was felicitated for outstanding services in patient care, teaching, research, and academic leadership. Outstanding post graduate residents and contributors were also recognized for their dedication and achievements. Our founder chairman, Dr. Vinod Bhandari was kind enough to join us for a group photograph and to encourage the residents.

Dr. Manoj Kela
H.O.D., Dept of General Surgery

Congratulations- Dr.Devendra Nayak

I am delighted to share that I have successfully completed my “Fellowship in Orthopaedic Oncology” at three high-volume tertiary care centres in Malaysia: Penang Adventist Hospital, Penang General Hospital, and University Malaya Medical Centre (UMMC), Kuala Lumpur.

This fellowship provided me with invaluable exposure to advanced musculoskeletal oncology, complex limb salvage procedures, multidisciplinary cancer care, and academic research in the field of Orthopaedic Oncology. The experience has significantly enriched my clinical expertise and strengthened my commitment to delivering comprehensive cancer care.

I would like to express my heartfelt gratitude to our Founder Chairman, Dr. Vinod Bhandari, for his visionary leadership, constant encouragement, and unwavering support in establishing and strengthening the Orthopaedic Oncology unit. I am equally grateful to our Head of Department, Dr. Pradeep Choudhari, for his continuous guidance, mentorship, and encouragement throughout this journey.

Nasha Mukta Bharat Abhiyaan

The Department of Social Justice and Empowerment of Persons with Disabilities under the guidance of the District Collector organized a Nasha Mukta Bharat Abhiyaan awareness programme hosted at SAIMS College of Nursing. Under the direction of the Principal, Dr. (Prof.) Reshmi Siby and coordinated by Mrs. Synthia Singh George, HOD, Mental Health Nursing, the event featured Shri Ajay Sharma, SI Narcotics Wing Madhya Pradesh, and State-Level Drug De-addiction trainer Shri Rajat Nagda.

The interactive sessions educated the students on the psychological impacts of addiction, prevention strategies and strict legal provisions under the NDPS Act. This vital initiative successfully inspired our student community to adopt drug-free lifestyles and support broader societal eradication efforts.

Sri Aurobindo Hospital Joins Live Streaming of Pradhan Mantri Viksit Bharat Rozgar Yojana Incentive Disbursement Program

Sri Aurobindo Hospital was privileged to be associated with the live streaming of the Pradhan Mantri Viksit Bharat Rozgar Yojana PMVBRY Incentive Disbursement Program a landmark initiative dedicated to promoting employment generation strengthening workforce participation and contributing to India's vision of inclusive economic growth. The event featured an inspiring address by the Hon'ble Prime Minister Narendra Modi who highlighted the importance of creating sustainable employment opportunities and empowering the youth to become active contributors to the nation's development.

The occasion was further graced by the esteemed presence of Shankar Lalwani and Dr. Vinod Bhandari whose participation reflected a shared commitment to advancing initiatives that foster economic progress and social empowerment. The live streaming brought together healthcare professionals, staff members, and attendees, enabling them to witness this significant national initiative and its vision for strengthening employment opportunities across the country. At Sri Aurobindo Hospital, we believe that healthcare institutions play an integral role in nation-building beyond patient care. By supporting programs that encourage employment skill development and inclusive growth we reaffirm our commitment to contributing to a healthier stronger and more prosperous India. We remain dedicated to participating in initiatives that inspire positive change and support the nation's journey toward sustainable development and collective progress.

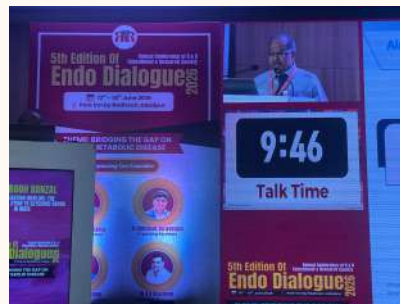

Congratulations

Congratulations Dr. Sanjay Dixit, DME for successfully completing "Certificate Programme - AI in Health Care" conducted by National Board of Examinations in Medical Sciences (NBEMS) from 21st January to 10 June 2026.

Congratulations

Dr. Subhodh Banzal delivered a talk on newer insulin at Annual Conference of R&R Educational Society on the theme Bridging the Gap on Endometabolic Disease at 5th Edition of Endodiolouge 2026 on 13th & 14th June 2026 at .Jabalpur

Dr. Subodh Banzal
HOD.
Dept of Endocrinology

Congratulations

Outstanding performance by SAMC and PGI at Ophthalmology tomorrow (IDOS) Conference 2026. The Department of Ophthalmology, SAMC & PGI, achieved remarkable success at the Ophthalmology tomorrow Conference 2026, held on 13–14 June 2026, (organized by Indore divisional ophthalmic society) with enthusiastic participation from postgraduate students and faculty members. A special moment of pride for the institution was the achievement of Dr. Priyanka Thakur, who secured First Prize in the Free Post-graduate Paper Session.

Further adding to the institute's achievements, the SAMC & PGI team (Dr. Priyanka Thakur, Dr. Rahul Sahu and Dr. Aena Prajapati) secured Second position in the Inter College ophthalmology Quiz competition, competing against nine participating teams from various medical colleges. The team's impressive performance reflected their strong academic knowledge, teamwork and dedication.

The conference provided an excellent platform for learning, academic exchange, and showcasing the talent of young ophthalmologists. The achievements of our postgraduate students underscore the institute's commitment to academic excellence, research, and professional development

Dr. Shreya Thatte
HOD.
Dept of Ophthalmology

Health Check-up Camp and Health Talk Organized by Department of Community Medicine

On the occasion of World Environment Day 2026, the Department of Community Medicine, Sri Aurobindo Medical College & Post Graduate Institute (SAMC & PGI), Indore, successfully organized a Health Check-up Camp and Health Talk at Anganwadi Centre, Khatipura, Indore, under the activities of the Urban Health Training Centre (UHTC).

The programme was conducted under the guidance of Dr. A. R. Deshpande, Professor & Camp Head, Department of Community Medicine. The camp was spearheaded by Dr. Mayank Rahul (professor) along with Dr. Aditya Chourasia (JR-2), Dr. Srishti Sakhi (JR-2), Dr. Harshvardhan Singh (JR-2), Dr. Virbhadr Singh (JR-1), Dr. Rashmi Nagar (JR-1), and Dr. Shivendra Patel (JR-1). The programme was actively supported by Mr. Sumit Jirati, Mr. Sanjay Patel, and Mr. Mahendra Vyas, along with interns and staff of the Department of Community Medicine. The event commenced with a health talk emphasizing the significance of environmental conservation, cleanliness, sanitation, waste management, and their direct impact on human health. Community members were encouraged to adopt eco-friendly practices and healthy lifestyles to promote a cleaner and healthier environment.

During the camp, beneficiaries underwent general health examinations, including blood pressure monitoring, blood sugar testing, and clinical consultations. Health education and counselling regarding disease prevention, nutrition, personal hygiene, and environmental health were also provided. Necessary medicines were distributed to the beneficiaries. A total of 60 beneficiaries availed services at the camp, including 42 females and 18 males. The local community participated enthusiastically and made optimal use of the healthcare services provided.

The programme was successfully conducted through the collective efforts of faculty members, junior residents, supporting staff, and community participants, contributing to the observance of World Environment Day and the promotion of community health and environmental awareness.

Congratulations

Dr. Abhinav Jaiswal (MDS Post graduate of Department of Oral and Maxillofacial Surgery batch 2022-2025) Received "PG- Student of The Year Award" by International Pierre Fauchard Academy Section at Large Asia for Exceptional performance in Academics, Scientific Publication and Presentations, Sports and Cocurricular Activities. Held at Manav Rachna Dental College, Faridabad on 6th June 2026. Also recieved first prize in scientific paper presentation in same event.

Sri Aurobindo Medical College Alumni Association

Dear Alumni,

I hope this letter finds you in the best of health & happiness & striving well in your endeavors.

We all know that, our alma mater always holds a special place in our hearts. It's where we forged lifelong friendships, gained invaluable knowledge, and embarked on the journey to become the professionals, we are today.

It was 22 yrs. ago in 2004, when the first MBBS batch of our college was admitted. Now, we are thrilled to announce the launching of the Sri Aurobindo Medical College Alumni Association" and would like to cordially invite you to join it.

By becoming a member of our Alumni Association, you will be a part of, a network of esteemed professionals, who are making a difference in healthcare & beyond, you'll have the opportunity to reconnect with former classmates, network with esteemed professionals in various fields of medicine, and stay updated on the latest developments and advancements in healthcare. Through various events, reunions and initiatives, we aim to foster connections, facilitate mentorship opportunities and promote continuous learning and professional development.

Please note that all students who have passed out from Sri Aurobindo Medical College & PG Institute, whether UG or PG and all present & past faculty members qualify to be an alumnus of the college, although post holders will be only those who have studied here. Very soon, we shall plan a SAMC ALUMNI DAY, (Nov./Dec.2026) wherein we shall welcome you back to Sri Aurobindo Medical College & PG Institute-now under our own SRI AUROBINDO UNIVERSITY and look forward to your participation in what promises to be an inspiring and memorable event. The details of the event will soon be circulated. Please fill up the Google form to confirm your membership, pay the Life time membership fees (Rs.500/- Only). Should you require any assistance or have any inquiries, do not hesitate to reach out to us at "samcaa.indore@gmail.com".
