A Celebration of Excellence: Dr. Mahak Bhandari Honoured by World Book of Records

A Certificate Distribution Ceremony was held on 8th September 2026 at the C.P. Tiwari Auditorium, Sri Aurobindo Institute of Medical Sciences (SAIMS), Indore, to commemorate a landmark achievement in tele-robotic surgery and celebrate the growing role of advanced technology in modern healthcare.

The ceremony marked a moment of distinction for Sri Aurobindo University, with Dr. Mahak Bhandari, Pro-Chancellor, Sri Aurobindo University, receiving recognition from the World Book of Records, London, for the recent tele-robotic surgical achievement. The recognition acknowledges a significant advancement in technology-enabled surgery, demonstrating how robotic technology can transcend geographical boundaries and connect specialised surgical expertise with patients across distances.

The event was graced by the presence of Dr. Vinod Bhandari, Founder Chairman, SAIMS; Dr. Manjushree Bhandari, Chancellor, SAIMS and Dr. Mohit Bhandari, Pro-Chancellor, Sri Aurobindo University. Their presence reflected the institution's continued commitment to innovation, excellence and the advancement of medical education and patient care.

For Sri Aurobindo University, this achievement represents more than a technological milestone. It reflects the University's vision of fostering an ecosystem where education, research, clinical expertise and emerging technologies come together to create meaningful advancements in healthcare. Tele-robotic surgery represents an important step towards expanding access to specialised surgical care while demonstrating the possibilities created through collaboration between medical expertise and cutting-edge technology.

A Celebration of Excellence: Dr. Mahak Bhandari Honoured by World Book of Records (Contd....)

The recognition also celebrates the collective contribution of surgeons, medical professionals, technical experts, academic leaders and support teams whose dedication made this achievement possible. It stands as a testament to the power of teamwork and innovation in advancing the boundaries of modern medicine. The occasion concluded with a special moment of appreciation for the entire team.

Each team member was presented with a framed photograph of SAIMS TIMES by Dr. Mahak Bhandari, Pro-Chancellor, Sri Aurobindo University. The gesture recognised the collective contribution, dedication and teamwork behind this landmark tele-robotic surgical achievement, celebrating the people whose commitment and collaboration continue to drive innovation, excellence and meaningful advancements in modern healthcare.

Teacher's Day Celebration, 5th Sept. 2026

मातृ स्पर्श - उषा दिव्य बाल मंदिर एवं केम्हेंस में कार्यक्रम का आयोजन

गुरु को खुशी तब मिलती है, जब शिष्य आगे निकलता है

● इन्दौर।

चिकित्सा के क्षेत्र में लंबे समय तक उच्च पदों पर सेवाएं प्रदान करने के दौरान देश-विदेश में विशेष बच्चों के अनेक सेंटर्स विजिट करने का मौका मिला है। उन अनुभवों के आधार पर दावे से कह सकता हूं कि श्री अरबिंदो समूह द्वारा स्थापित उषा दिव्य बाल मंदिर सिर्फ एक साल में देशभर में विशेष बच्चों के लिए श्रेष्ठ एकेडमिक और पर्सनैलिटी डेवलपमेंट सेंटर बन गया है।

ये बात मातृ स्पर्श- उषा दिव्य बाल मंदिर एवं केम्हेंस में शिक्षक दिवस के अवसर पर आयोजित कार्यक्रम में देश के वरिष्ठ चिकित्सक डा. डी.के. तनेजा ने मुख्य अतिथि के रूप में कही। उन्होंने कहा कि दुनिया में 80 प्रतिशत लोग अपने पुरखों की वसीयत भी नहीं संभाल पाते हैं। सिर्फ 15 प्रतिशत लोग ही उनकी पूंजी और परंपरा संभाल पाते हैं। बाकी बचे 5 प्रतिशत ही ऐसे होते हैं, जो बड़े विजन के साथ बड़े सपने देखते हैं। डा. विनोद भंडारी निश्चित रूप से ऐसे ही 5 प्रतिशत लोगों में शुमार होते हैं। उन्होंने जो सपना देखा, उसे न केवल पूरा किया, बल्कि उसके माध्यम से अनगिनत लोगों की जिंदगी भी संवार दी। मैंने एक दिन विनोद को स्पेशली फोन करके कहा कि मैं तुम्हें सैल्यूट करता हूं। जो काम हम लोग नहीं कर सके, वो तुमने कर दिखाया। एक गुरु के रूप में यह मेरे लिए सबसे बड़ी खुशी की बात है।

विशेष बच्चों के भविष्य निर्माता हैं विशेष शिक्षक

वरिष्ठ चिकित्सक एवं श्री अरबिंदो अस्पताल की पूर्व डीन डा. सुखवंत बोस कहा कि विशेष बच्चों के शिक्षकों को सामान्य बच्चों के शिक्षकों के मुकाबले कहीं अधिक मेहनत करनी पड़ती है। सुश्री निर्मलाजी ने प्रख्यात शिक्षिका एवं समाजसेविका स्व. उषा भंडारीजी के व्यक्तित्व एवं कृतित्व पर प्रकाश डाला। इस अवसर पर डा. विनोद भंडारी और डा. महक भंडारी ने डा. सुखवंत बोस, सुश्री निर्मला और डा. डी.के. तनेजा का सम्मान किया। गरिमामय समारोह में विशेष बच्चों ने पूरी तन्मयता के साथ गायन, वादन, नृत्य एवं भाषण आदि की अपनी विशेष सांस्कृतिक टेकर सबका मन मोह लिया। उन्होंने अपने टीचर्स को सम्मानित भी किया। कार्यक्रम का संचालन डा. जितेंद्र शर्मा और आभार प्रदर्शन एडमिनिस्ट्रेटिव हैड डा. वंदना सिंह ने किया। इस अवसर पर सीईओ डली बहल, कुलसचिव डा. आनंद मिश्रा, प्रदीप रघुवंशी और प्राचार्य डा. सुनील तोमर सहित बड़ी संख्या में विशेष बच्चे, उनके परिजन तथा शिक्षकगण उपस्थित थे।

Teacher's Day Celebration at Usha Divya Bal Mandir.

A special Teacher's Day celebration was organized at Usha Divya Bal Mandir (Matra Sparsh), filled with respect, gratitude, and joy. On this occasion, distinguished city educators Dr. D.K. Taneja, Dr. S. Bose and respected teacher Nirmala Ji (Mausi Ji) were felicitated by Chairman Dr. Vinod Bhandari and Dr. Mahak Bhandari.

The teachers of Usha Divya Bal Mandir were also honored by their students as a heartfelt gesture of love and gratitude.

Adding to the celebration, the young children presented beautiful cultural performances, filling the atmosphere with happiness and enthusiasm. It was a truly memorable and successful celebration dedicated to the wonderful teachers who inspire, guide, and shape young lives.

Advanced Operation Theatre / Surgical ICU Inaugration

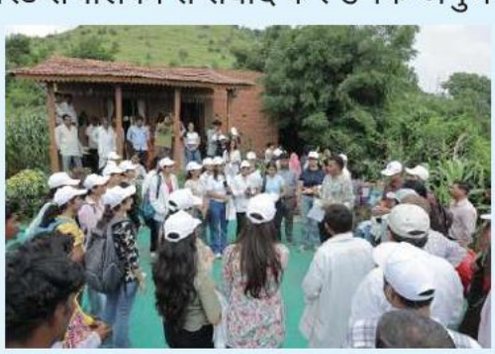

Sri Aurobindo Hospital, Indore proudly inaugurated its Advanced Operation Theatre & Surgical ICU on 10th Sept.2026 a significant step towards delivering next-generation surgical care with greater precision, technology and excellence.

The inauguration was graced by Dr. Vinod Bhandari (Founder Chairman) Dr. Manjushree Bhandari (Chancellor) Dr. Mahak Bhandari (Managing Director) & Surgical team This state-of-the-art infrastructure reflects our continued commitment to innovation, excellence and patient-centric healthcare.

शैक्षणिक भ्रमण

अरविंदो मेडिकल विश्वविद्यालय के MBBS विद्यार्थियों ने जाना ग्रामीण पर्यटन का महत्व ग्रामीण पर्यटन, स्थानीय संस्कृति एवं ग्राम्य जीवन की वास्तविक समझ विकसित करने के उद्देश्य से अरविंदो मेडिकल विश्वविद्यालय, इंदोर के 47 एमबीबीएस विद्यार्थियों ने 10 सितम्बर को पर्यटन ग्राम ज्ञानपुरा, जिला धार का शैक्षणिक भ्रमण किया। यह भ्रमण Knowledge Tourism की अवधारणा के अंतर्गत आयोजित किया गया, जिसमें विद्यार्थियों को ग्रामीण जीवन अनुभवों से रूबरू होने का अवसर मिला। भ्रमण के दौरान विद्यार्थियों ने ग्राम ज्ञानपुरा में विकसित ग्रामीण होमस्टे का अवलोकन करते हुए, बैलगाड़ी की सवारी, भजन मंडली की प्रस्तुति, फ़ार्म टू प्लेट अनुभव, पेड़ों पर झूला झूलना, पहाड़ियों पर ट्रैकिंग करते हुए उन पहाड़ों से जुड़ी कहानियाँ सुनना और पारंपरिक जनजातीय नृत्य का आनंद लिया। इसके साथ दोपहर में स्थानीय पारंपरिक व्यंजन दाल-बाफला परोसा गया तथा शाम को चाय और स्वादिष्ट नाश्ते के बाद मांडू स्थित जहाज़ महल देखा. इस दौरान विद्यार्थियों ने होमस्टे संचालकों से संवाद कर उनके अनुभवों एवं ग्रामीण पर्यटन से होने वाले लाभों

Sri Aurobindo Centre for Management Studies - A New Beginning, A Brighter Tomorrow!

Sri Aurobindo Centre for Management Studies, Sri Aurobindo University, Indore, proudly welcomed the Foundation Batch 2026, on 23rd Sept. with an inspiring Induction Ceremony for students of Hospital Administration & Hotel Management.

The ceremony was graced by Chief Guest Shri N. Raghuraman, along with the presence and guidance of Dr. Vinod Bhandari, Founder Chairman, SAIMS, Dr. Manjushree Bhandari, Chancellor, Sri Aurobindo University, Indore, and Dr.Mahak Bhandari, Managing Director, SAIMS & Pro Chancellor, Sri Aurobindo University

The event featured a warm ceremonial welcome, insightful addresses by the dignitaries, a keynote address by the Chief Guest, and the presentation of mementos.

As our young minds begin their academic and professional journey, we wish the Foundation Batch 2026 a future filled with knowledge, values, opportunities and leadership.

SAIMS TIMES

A New Era of "Connected Healthcare Through Telemedicine"

Sri Aurobindo University, Indore, hosted the Foundation CME on Telemedicine & Digital Healthcare: From Concept to Clinical Practice – Building Connected Healthcare on 28 September 2026 at the Shri S.M. Bhandari Auditorium, IRCAD India, SAIMS, Indore.

The academic event brought together eminent healthcare leaders and professionals to deliberate on the evolving landscape of telemedicine and digital healthcare and their growing role in strengthening modern clinical practice. The CME focused on bridging the gap between technological innovation and patient-centric healthcare delivery, highlighting how digital connectivity can expand access to expertise and enable more efficient healthcare systems.

The University was honoured to welcome Prof. Dr. Saroj Kant Mishra, a highly acclaimed General Surgeon, visionary academician, and pioneer in the field of Endocrine Surgery and Telemedicine in India. His presence added significant academic value to the programme and provided an opportunity to reflect on the transformative possibilities of technology-driven healthcare.

The event was graced by Dr. Vinod Bhandari, Founder Chairman, SAIMS , Dr. Manjushree Bhandari, Chancellor, SAU and Dr. Mohit Bhandari, Pro Chancellor, ASU

The Foundation CME reflected Sri Aurobindo University commitment to advancing healthcare through innovation, knowledge, collaboration and technology. The discussions underscored the importance of connected healthcare in creating a future where expertise can transcend geographical boundaries and contribute to better clinical outcomes.

The programme served as a meaningful step towards strengthening the vision of technology-enabled, accessible and connected healthcare, where expertise is not limited by distance.

Sri Aurobindo University Hosts Insightful Lecture on Digital Tools for Research

Sri Aurobindo University organised an insightful academic lecture on Research Computing Essentials: Digital Tools (OS and MS-Office) for Data Management, Academic Writing, Analysis & Communication on 16 Sep 2026. The session was designed to strengthen the digital competencies of researchers and faculty members by highlighting the effective use of essential computing tools in various stages of academic research.

The lecture focused on the practical application of Operating Systems and MS-Office tools for efficient data management, academic writing, research analysis, documentation, and professional communication. The session provided participants with valuable insights into how digital tools can help streamline research-related tasks, organise information systematically, prepare academic documents, analyse data effectively, and communicate research outcomes with greater clarity.

The session was delivered by Dr. Atul Nandwal, Professor & Head, Institute of Advance Computing, SAGE University, Indore, who shared his expertise and practical understanding of digital technologies in the context of academic and research activities.

The lecture was particularly beneficial for Ph.D. Scholars, Ph.D.-eligible Guides, Heads of Departments, PG Students, and Faculty Members of Constituent Colleges of Sri Aurobindo University. It encouraged participants to develop a more structured and technology-enabled approach towards research and academic work.

The initiative reflected Sri Aurobindo University continued commitment to promoting research excellence, digital proficiency, academic development, and technology-driven learning. By equipping researchers and faculty members with relevant digital skills, such academic initiatives contribute towards creating a more efficient, organised, and digitally empowered research ecosystem.

6th National Pharmacovigilance Week 2026 Celebrated at SAIMS

Regional Pharmacovigilance Centre under Pharmacovigilance Programme of India (PvPI) at Department of Pharmacology, Sri Aurobindo Medical College & PGI, Sri Aurobindo University celebrated 6th National Pharmacovigilance Week 2025 from 17th – 23rd September 2026. This year's theme was 'Promote Rational Use of Medicines through Pharmacovigilance: A Step Towards Safer Healthcare'.

Several activities were carried out to sensitize healthcare workers, students and consumers on Pharmacovigilance & Materiovigilance adverse event reporting.

Day 1 - Rangoli made on the theme was prepared by 07 paramedical students (Ms. Payal Wadnere, Ms. Kirti Wadhwani, Ms. Raksha Choyal, Ms. Payal Parte, Ms. Avantika Sharma, Ms. Nisha Chouhan & Ms. Deeksha Singh).

Day 2 – The event was inaugurated by Dr. Vinod Bhandari, Founder Chairman (SAIMS). Dr. R.R. Wavare (Dean, SAMC), Dr. Chhaya Goyal (Coordinator, Pharmacovigilance Centre), Dr. Pooja Reddy (Coordinator, Materiovigilance Centre), Dr. Anuja Jha (Dy. Coordinator, Materiovigilance Centre), Mr. Mohammad Rafi (Pharmacovigilance Associate), Mr. Jitendra Patidar (Materiovigilance Associate) & faculty of pharmacology were also present during the inauguration.

This event was also published in local print media.

Day-3 Pharmacovigilance committee members gathered at Pharmacology dept. for this year's final meeting to discuss improvement in ADR reporting and solution to challenges. Pamphlet in hindi on ADR reporting and reporting channels to PvPI were distributed to consumers and patient attendees in hospital.

On day 5 - On this day, 7th edition of National Formulary of India (NFI-2026) prepared, revised every 5 years & published by IPC, Ghaziabad was also released by Union Minister of State for Health & Family Welfare Anupriya Patel in New Delhi ADR PvPI 2.0 mobile app was also launched in this event.

Mr. Mohammad Rafi (PvPI Associate) and Mr. Jitendra Patidar (MvPI Associate) distributed QR code with toll free number for ADR reporting to community pharmacy/chemist stores in periphery.

SAIMS TIMES

6th National Pharmacovigilance Week 2026 Celebrated at SAIMS

Day-6 A joint training session on Pharmacovigilance & Materiovigilance for newly joined nursing staff at SAIMS hospital was conducted by Mr. Mohammad Rafi & Mr. Jitendra Patidar respectively. A total of 32 nursing professionals were trained in this session.

Day-7 The event was concluded with certificate distribution ceremony organized in the pharmacology department. All the participating students of Rangoli making were given a certificate, a chocolate and a pen.

Dr. Chhaya Goyal (Coordinator, PvPI) & Dr. Pooja Reddy (Coordinator, MvPI) delivered vote of thanks towards concluding this week long events and expressed their gratitude to SAIMS Indore & IPC, Ghaziabad.

Advanced Learning Training (ALT) in Pharmacovigilance & Materiovigilance

Dr. Chhaya Goyal, Dr. Pooja Reddy, Mr. Mohammad Rafi & Mr. Jitendra Patidar from SAIMS, Indore attended ALT at AIIMS, Bhopal on 30th September Dr. Shashibhushan (Senior Scientific Officer) from IPC, Ghaziabad presented PvPI updates. By year 2026, 37 ADR monitoring centers (AMC) were established under PvPI in Madhya Pradesh with 8 Pharmacovigilance Associates working at various pharmacovigilance centers. AMC at SAIMS Indore has reported the highest safety reports in state till date i.e. 7233 ICSRs out of total 26221 ICSRs reported.

On day 2, Dr. Pooja Reddy as a keynote speaker addressed on 'Regulatory aspects of Medical Devices and in-vitro diagnostics: Importance of post-marketing surveillance' during Materiovigilance ALT. Mr. Jitendra Patidar also presented an overview of materiovigilance activities of MDMC, SAIMS, Indore.

Strategic Insights for Establishing and Developing New Departments

Sri Aurobindo University organized, on 30th Sept. an insightful Expert Lecture on How to Overcome Difficulties in Establishing a New Department, offering faculty members and academic professionals valuable perspectives on the challenges, strategies, and practical considerations involved in building and developing a new academic department. The session was led by Dr. S. K. Mishra, whose extensive experience and practical insights added significant academic value to the discussion. The lecture focused on the realities of establishing a department from the ground up and highlighted the importance of a clear vision, effective planning, strong leadership, coordinated teamwork, and efficient resource management.

During the session, participants gained valuable insights into identifying and addressing challenges that may arise during the initial stages of departmental development. Emphasis was placed on creating a structured academic framework, establishing effective systems and processes, fostering collaboration among faculty members, and ensuring the efficient utilization of available resources.

The lecture also highlighted how strong leadership and strategic decision-making can contribute to the long-term growth and sustainability of an academic department. Practical approaches to overcoming operational and organisational difficulties provided participants with perspectives that could be applied to their respective academic environments.

The interactive and knowledge-rich session encouraged participants to look beyond the immediate challenges of establishing a new department and focus on building a strong foundation for academic excellence, teamwork, innovation, and continued growth.

The expert lecture reflected Sri Aurobindo University commitment to strengthening academic leadership and professional development by providing faculty and academic professionals with opportunities to learn from experienced experts and gain practical knowledge relevant to contemporary higher education.

The session concluded as an enriching academic engagement, leaving participants with valuable guidance and perspectives for building successful and sustainable academic departments.

SAIMS TIMES

A Memorable Farewell, A Promising New Beginning

BGHI College of Nursing, SAU hosted a memorable and heartfelt Farewell Programme on 15 September 2026, marking a significant milestone in the academic journey of its graduating students. The occasion brought together students and faculty members in an atmosphere filled with warmth, gratitude, celebration, and fond memories. The farewell programme served as a meaningful reflection on the journey of the outgoing batch, celebrating their academic achievements, experiences, friendships, and the valuable memories created during their time at the institution. The event also provided an opportunity for faculty members and students to come together and acknowledge the dedication, perseverance, and growth demonstrated by the graduating students throughout their academic journey. The gathering was marked by moments of joy and emotion as students looked back on their years of learning and personal development. Faculty members shared their heartfelt wishes and words of encouragement, inspiring the outgoing students to carry forward the knowledge, values, discipline, and professional commitment gained during their time at BGHI College of Nursing.

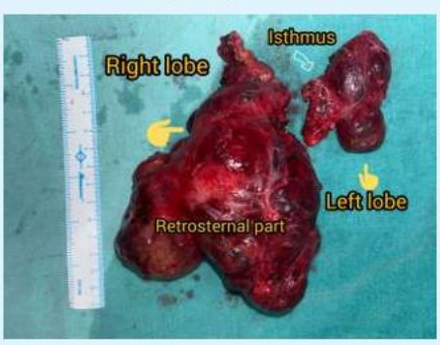

As the graduating students stepped towards a new chapter in their professional lives, the farewell became a celebration of both an accomplished journey and the opportunities that lie ahead. BGHI College of Nursing, Sri Aurobindo University extended its warmest wishes to the outgoing batch for a successful, fulfilling, and bright future.

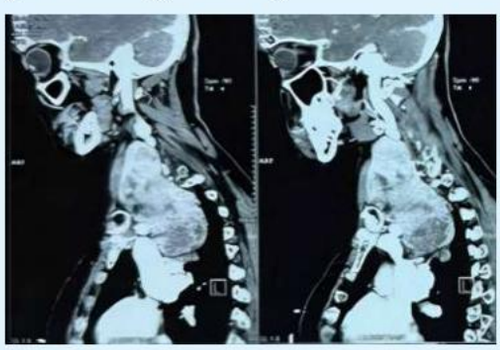

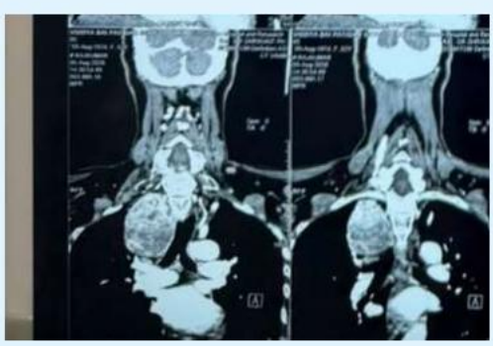

A Case of Massive Goitre

It was an interesting case of a massive goiter extending into the mediastinum and almost reaching the aortic arch. The mediastinal component was larger than the cervical component. FNAC suggested a nodular goiter. Although a sternotomy was anticipated, careful mobilization of the goiter through the neck—made somewhat challenging by the patient's short, thick neck—allowed the mediastinal component to be delivered through the cervical incision. The surgical team included Dr. Pravin Surana and Dr. Shirin Ansari. We are grateful to the CVTS team for remaining on standby.

Dr. Brajendra Baser
Dept. of ENT

Speech & Hearing Department Celebrates Foundation Day with Pride

The Department of Speech & Hearing at Sri Aurobindo Institute of Medical Sciences (SAIMS) celebrated its Foundation Day on 21 September 2026, marking a meaningful mile stone in its journey of academic growth, professional excellence and service in the field of speech and hearing healthcare.

The occasion brought together faculty members, staff and students, creating a warm and engaging platform to reflect on the department journey, achievements and evolving vision. The celebration highlighted the collective efforts that have contributed to building the department as a centre committed to learning, clinical excellence and compassionate patient care.

Over the years, the Department of Speech & Hearing has continued to strengthen its focus on addressing the diverse needs of individuals with speech, language and hearing-related concerns. Its journey reflects a commitment to combining professional knowledge, clinical expertise, innovation and empathy in healthcare delivery.

The Foundation Day celebration also provided an opportunity for members of the department to look ahead towards new possibilities and reaffirm their commitment to advancing the standards of speech and hearing healthcare. For students, the occasion served as an inspiring reminder of the importance of continuous learning, professional responsibility and patient-centred care. The event reflected the spirit of collaboration and dedication that continues to shape the department growth. It celebrated not only the milestones achieved so far, but also the shared vision of creating a lasting impact through education, healthcare and innovation.

The Foundation Day marked another significant chapter in the department journey, reinforcing its commitment to advancing speech and hearing healthcare with knowledge, innovation and compassionate care.

SAIMS TIMES

Sri Aurobindo University Organizes Insightful Lecture on Research Protocol Writing

Sri Aurobindo University organized on 16.09.2026 an insightful academic lecture on Research Protocol Writing to strengthen research capabilities and enhance the understanding of systematic research planning among scholars, academicians and faculty members.

The session was attended by Ph.D Scholars, Ph.D-eligible Guides, Heads of Departments, Postgraduate Students and Faculty Members of Constituent Colleges. The programme focused on developing a deeper understanding of the essential principles and practices involved in preparing an effective and scientifically structured research protocol.

Research protocol writing plays a vital role in establishing a clear roadmap for academic research. During the session, participants gained valuable insights into the importance of systematic research planning, defining research objectives, developing an appropriate methodology and maintaining academic rigour throughout the research process. The lecture provided an engaging academic platform for scholars and faculty members to strengthen their research perspectives and develop greater clarity in approaching research projects. The session also encouraged participants to adopt structured and responsible research practices that can contribute to meaningful academic outcomes.

The initiative reflected Sri Aurobindo University continued commitment to promoting research excellence, academic innovation and a strong research-oriented ecosystem across its constituent colleges. By facilitating knowledge-sharing sessions focused on contemporary research practices, the University continues to empower scholars and academicians with the skills and knowledge required to pursue high-quality and impactful research. The programme concluded with a renewed emphasis on learning, exploration and strengthening the research journey of scholars and academicians.

The workshop was attended by 28 participants including Deans, Medical Education Unit (MEU) Coordinators, Head of Departments and senior Professors from various medical colleges across Madhya Pradesh and Rajasthan. The inauguration session was conducted by Dr. Nitin Nema, Convener, RTC, SAMC & PGI, Indore, in the presence of Dr. R.R. Wavare, Dean, SAMC & PGI, Dr. Praveen Arora, Co-convener and Dr. KK Arora, Coordinator, MEU, RTC, SAMC & PGI, Indore and other resource faculty of Department of Medical Education of our college. Every day the sessions started with morning prayer. The three-day BCME workshop was like a grand gala festival of knowledge and professionalism.

The sessions were conducted by resource faculties viz. Dr. Nitin Nema, Dr. Praveen Arora, Dr. K.K. Arora, Dr. Pooja Reddy, Dr. Manjunath Motagi, Dr. Kavitarati Dharwadkar, Dr. Vishal Surwade, Dr. Apurv B. Thakur, Dr. Prachi Paliwal and Dr.Bandita Medhi who kept the participants engaged and involved. Dr.Anuja Jha and Dr. Meher Shikha Verma also took active part in workshop activities and played an important role. The participants were overwhelmed and felt thankful for the comfortable learning environment, meaningful interactions and acquisition of new knowledge during three days of the workshop. The Department of Medical Education of SAMC & PGI, Indore gratefully acknowledges the continued support and encouragement of Dr. Vinod Bhandari, Founder Chairman, and Dr.(Mrs) Manjushree Bhandari, Chancellor, Sri Aurbindo University, in facilitating the successful organization of the workshop.

Team - RTC, SAMC & PGI, Indore

Sri Aurobindo University Hosts Lecture on Measurement of Scales

Sri Aurobindo University, Indore, organised an insightful academic lecture on Measurement of Scales on 29th Sept. for Ph.D. Scholars, Ph.D.-eligible Guides, Heads of Departments, Postgraduate Students, and Faculty Members of its Constituent Colleges.

The session was led by Dr. Ashish Gaur, Assistant Professor, Department of Community Medicine, SAMC & PGI, Indore, who provided participants with valuable insights into the fundamentals and practical significance of measurement scales in academic and research settings.

The lecture focused on developing a clear understanding of measurement scales and their appropriate application in research, highlighting their importance in systematic data collection, classification, analysis, and interpretation. Participants were introduced to the relevance of measurement techniques in ensuring that research data is appropriately structured and meaningfully interpreted.

The session also emphasised how a sound understanding of measurement scales can contribute to better research design and methodology. For Ph.D. scholars and researchers, selecting and applying appropriate measurement approaches is an essential component of conducting systematic and credible academic studies.

Through an engaging academic interaction, the lecture encouraged participants to strengthen their conceptual understanding and apply research-oriented measurement principles effectively in their respective areas of study. The session served as a valuable academic platform for researchers, faculty members, and postgraduate students to enhance their methodological knowledge and develop greater confidence in handling research data.

Sri Aurobindo University continues to foster a culture of research, academic excellence, knowledge sharing, and interdisciplinary learning, providing scholars and faculty members with opportunities to engage with important concepts and contemporary practices in research methodology.

The lecture reflected the University continued commitment to strengthening research competencies and academic capabilities, empowering its research community with knowledge and skills that contribute to meaningful and methodologically sound scholarly work.

SAIMS TIMES

Forensic Medicine and Toxicology OPD Inaugration

A significant step towards strengthening medico-legal care, medical ethics, and toxicology services at Sri Aurobindo Medical College & PG Institute, Indore.The Forensic Medicine & Toxicology (FMT) OPD was inaugurated on 22 September 2026 by Dr. Poornima Dey Sarkar, Pro-Vice Chancellor, Sri Aurobindo University, in the presence of senior faculty members, department heads, consultants, faculty and postgraduate students.

Established under the esteemed guidance of Dr. Vinod Bhandari, Founder Chairman, SAIMS, and Dr. Manjushree Bhandari, Chancellor, Sri Aurobindo University, the FMT OPD will provide: Medical Jurisprudence & Medical Ethics Consultation, Medico-Legal Consultation, Specialized Toxicology Consultation, Expert guidance in poisoning-related cases This initiative marks an important milestone in advancing ethical medical practice, scientific expertise, medico-legal care, and community service at SAIMS. Strengthening healthcare through knowledge, ethics and expertise.

Dr. Praveen Arora
Prof. & HOD
Forensic Medicine and Toxicology

Congratulations

Happy to share , I was felicitated by the first president of Nepal Dr Ram Baran Yadhav ji Received Dr R P Pokhrel endowment award for Eye care Services by Netra Jyoti Sangh Nepal With two past presidents of The India Mr Ram Nath kovind ji and Dr Ram Baran Yadhav ji

Dr. Shreya Thatte
HOD-Opthalmology, SAMC&PGI

Advanced Hemodialysis Care at SAIMS

A proud milestone for our institution and Department of Nephrology! We are privileged to be the first medical college to have HDF machines, bringing advanced dialysis technology to our patients.This has been made possible by the blessings ,vision and foresight of our Founder Chairman, Dr. Vinod Bhandari.Our aim is simple: advanced technology should have equal access—not be a privilege of a few. We hope this will especially benefit patients from economically weaker sections.Grateful for Dr. Bhandari's vision, support and blessings. The machines were inagurated on 26th September 2026.

CME - Department of Microbiology

It was a truly enriching and insightful CME session on "From Syndrome to Action: Integrating Syndromic Testing into Infectious Disease Diagnosis", organised by the Department of Microbiology, Sri Aurobindo Medical College & PG Institute, Indore, in association with bioMérieux. We were privileged to have Dr. Madhuri Somani, Senior Consultant, Microbiology & Infection Control, as our esteemed speaker. Her expertise and practical insights into syndromic testing and infectious disease diagnosis made the session extremely informative and engaging for all participants.

I sincerely express my gratitude to our Founder Chairman, Dr. Vinod Bhandari, for providing us the opportunity to organise such meaningful academic initiatives. My heartfelt thanks to Dolly Behal , CEO, SAIMS, for her kind support and permission, and to our Dean, Dr. R. R. Wavare, for his constant encouragement and support towards academic growth.

I also extend my sincere gratitude to Dr. Jaishree Tapdia, Dean – Student Welfare; Dr. Poornima Day Sarkar Pro Chancellor, SAU; Dr. Sanjay Dixit, Director – Medical Education; all Heads of Departments, faculty members, nursing heads, Infection Control Nurses, nurses and laboratory technicians for their gracious presence and support.

A special thanks to our PG students and interns for their enthusiastic participation. We are grateful to bioMérieux for organising and supporting this valuable academic session. And finally, my deepest appreciation to my Department of Microbiology faculty and staff, whose dedicated efforts and teamwork made this CME possible. Academic discussions like these remind us that the future of infectious disease diagnosis lies not only in detecting pathogens faster, but in integrating the right test with clinical judgement and timely action.

Dr. Kamlesh Patel
Prof. & Head, Microbiology

Congratulations

Honoured to be invited as faculty at Pediatric nephrology conclave at AIIMS Bhopal. on 28.09.2026 Delivered a talk on transplant facilitated hands on renal biopsy station .Also had opportunity to present my work as award paper and poster.Excellent academic feast

Dr. Suman Choudhary
Pediatric , Nephrologist

Influential People of Indore 2026

जब तकनीक संवेदनाओं से जुड़ती है, तब बदलती है चिकित्सा की तस्वीर

डॉ. महक भंडारी
एडवांस लेप्रोस्कोपिक बेरिएट्रिक एवं रोबोटिकगैस्ट्रो सर्जन

दैनिक भास्कर
INFLUENTIAL PEOPLE OF INDORE-2026

रोबोटिक व टेली रोबोटिक सर्जरी को केवल तकनीकी उपलब्धि नहीं, बल्कि मरीज-केंद्रित स्वास्थ्य सेवाओं की नई संस्कृति मानने वाले डॉ. महक भंडारी उपचार, शोध और प्रशिक्षण को साथ लेकर आगे बढ़ने में विश्वास रखते हैं।

स्वास्थ्य सेवाएं तेजी से बदल रही हैं। एआई, रोबोटिक्स और अत्याधुनिक तकनीक ने उपचार के तरीके बदले हैं, लेकिन हर तकनीक तभी सार्थक है, जब उसका लाभ सीधे मरीज तक पहुंचे। डॉ. महक भंडारी का मानना है कि आधुनिक सर्जरी का भविष्य केवल बेहतर मशीनों में नहीं, बल्कि ऐसी सोच में है, जहां हर निर्णय का केंद्र मरीज हो। कम दर्द, कम रक्तस्राव, जल्दी रिकवरी और बेहतर जीवन गुणवत्ता, यही आधुनिक सर्जरी की वास्तविक सफलता है।

आधुनिक तकनीक का उद्देश्य केवल ऑपरेशन को आसान बनाना नहीं, बल्कि मरीज को कम पीड़ा, अधिक सुरक्षा और बेहतर जीवन गुणवत्ता के साथ उपचार उपलब्ध कराना है।

इनोवेशन को उपचार का हिस्सा बनाने की सोच

डॉ. महक भंडारी रोबोटिक एवं एडवांस लेप्रोस्कोपिक सर्जरी को केवल एक नई तकनीक नहीं, बल्कि उपचार की बदलती संस्कृति के रूप में देखते हैं। उनका मानना है कि यदि जटिल ऑपरेशन भी न्यूनतम चीरे और कम तकलीफ के साथ किए जा सकते हैं, तो मरीज का आत्मविश्वास और उपचार का परिणाम दोनों बेहतर होते हैं। यही कारण है कि वे लगातार ऐसी तकनीकों को अपनाने और उन्हें आम मरीजों तक पहुंचाने पर जोर देते हैं।

उपलब्धियां जो नई दिशा का संकेत हैं

लगभग **14 वर्षों के अनुभव** और **15,500 से अधिक सफल सर्जरी** के साथ **डॉ. महक भंडारी** ने **रोबोटिक एवं मिनिमली इनवेसिव सर्जरी** के क्षेत्र में उल्लेखनीय कार्य किया है। मध्यप्रदेश के सरकारी मेडिकल कॉलेज में पहली रोबोटिक सर्जरी और भारत की **पहली टेली-रोबोटिक हर्निया सर्जरी** जैसी उपलब्धियां केवल व्यक्तिगत सफलता नहीं हैं, बल्कि यह संकेत हैं कि अत्याधुनिक चिकित्सा तकनीक अब महानगरों तक सीमित नहीं रह गई है। उनका शोध अंतरराष्ट्रीय स्तर पर भी प्रकाशित हुआ है, जो भारतीय चिकित्सा विशेषज्ञता की वैश्विक स्वीकार्यता को मजबूत करता है।

ज्ञान साझा करना भी जिम्मेदारी

डॉ. महक भंडारी मानते हैं कि चिकित्सा का विकास तभी संभव है, जब ज्ञान सीमित न रहे। इसी सोच के साथ वे देश-विदेश के सर्जनों को लाइव रोबोटिक सर्जरी के माध्यम से प्रशिक्षण देते हैं और आधुनिक सर्जिकल तकनीकों को चिकित्सा शिक्षा से जोड़ने का प्रयास करते हैं। उनके अनुसार भविष्य की स्वास्थ्य व्यवस्था केवल बेहतर अस्पतालों से नहीं, बल्कि बेहतर प्रशिक्षित विशेषज्ञों से बनेगी। तकनीक तभी प्रभावी होगी, जब उसे संचालित करने वाले चिकित्सक भी उसी स्तर के दक्ष हों।

हर्निया इलाज का आधुनिक तरीका

डॉ. महक भंडारी का मानना है कि हर्निया जैसी समस्या को अक्सर लोग सामान्य बीमारी समझकर लंबे समय तक नजरअंदाज कर देते हैं, जबकि समय पर उपचार न मिलने पर यह जटिल रूप ले सकती है। उनका फोकस रोबोटिक और एडवांस लेप्रोस्कोपिक तकनीक के माध्यम से हर्निया सर्जरी को अधिक सुरक्षित, सटीक और मरीज के लिए कम पीड़ादायक बनाना है। इसी दिशा में उनके नेतृत्व में की गई भारत की पहली टेली-रोबोटिक हर्निया सर्जरी इस बात का उदाहरण है कि आधुनिक तकनीक से विशेषज्ञ उपचार की पहुंच नई ऊंचाइयों तक पहुंच सकती है।

डॉ. महक भंडारी के विजन की प्रमुख बातें

- मरीज-केंद्रित रोबोटिक एवं एडवांस लेप्रोस्कोपिक सर्जरी को बढ़ावा देना।
- इरकाड इंडिया के वाइस प्रेसिडेंट के रूप में वर्ल्ड का बेस्ट सर्जन ट्रेनिंग सेंटर बनाना।
- चिकित्सा शिक्षा में नवाचार और प्रशिक्षण को समान महत्व देना।
- शोध और आधुनिक तकनीक के माध्यम से सर्जरी के बेहतर परिणाम।
- इंदौर मध्यप्रदेश रोबोटिक सर्जरी का प्रमुख केंद्र।

Congratulations

Dr. Praveen Surana, Associate Professor, Department of ENT, was invited as a faculty in ICAAICON-2026 for a talk on Allergic fungal rhinosinusitis (AFRS). Had the chance to share knowledge, insights and experience with TB and chest physicians and allergy specialists present from all parts of India. Also chaired a session on 'Occupational Lung Diseases'.

Dr. Praveen Surana
Associate Professor, Department of ENT

IMA INDORE Activities

On 12th Sept. IMA Indore in association with Free Press, organised an evening felicitating the meritorious student & Doctors 1) IMA Dr.S.P.Hardia oration was delivered by senior cardiologist of city-Dr. A.K.Pancholia.

2) Felicitation of meritorious students of all medical colleges of Indore was done by Chief Guest-Dr. Ravi Wankhedkar-past National President IMA, Dr. B.M. Sharnagat President IMA MP State, Dr. Vinod Bhandari- Founder Chairman SAIMS & officials of Free Press. 3) Senior Doctors of the city were also felicitated.

IMA Indore, installation Ceremony2026-27

The Installation ceremony of the new team along with IMA Annual Awards function was held on 27th Sept. 2025 with Dr.Rakesh Singhal, vice chancellor-DAVV as chief guest who also administered Oath of the Office to the new IMA Indore leaders.

Dr. Shekhar D Rao was honoured with IMA Dr. SK Shukla Life Time Achievement Award.

Dr. Shefali Jain delivered the IMA-Dr.DS Rao Oration.

Dr. Sandeep Julka received IMA Seth Murlidhar Gupta Award for social work.

Dr. Sourabh Malviya received IMA Dr.SN Goyal Award.

Dr. Sudha Hans Bhatia IMA Female outstanding member Social service Award.

Dr. Ajay Karkare, Dewas- IMA Regional Award.

President-Dr. Kavita Bapat, Hon.Secretary-Dr. Vinita Kothari, President Elect-Dr. Sadhana Sodani, Vice President-Dr. BS Shekhawat, Dr. Milind Shah, Treasurer-Dr. Pankaj Gupta, Clinical Secy-Dr. Sandeep Julka, Jt. Secretary-Dr. Vikas Rathore, Dr. Pranav Mahajan, Editor-Dr. Jyoti Karande, Jt. Director-CGP-Dr. Sonalee Mittal, Jt. Secy CGP-Dr. Vivek Agnihotri & 10 executive members.

Patrons-Dr. Dilip Kumar Acharya, Dr. Shekhar D Rao, Advisor-Dr. Sanjay Londhe, Dr. Sumit Shukla.

The members present appreciated the good work done, during the year, by the outgoing team of IMA Indore.

Dr. Vallabh Mundra
President 2025-26

Dr. Kavita Bapat
President 2026-27

Dr. Sunil Banthia
Hon. Secretary 2025-26

Dr. Vinita Kothari
Hon. Secretary 2026-27
