Founder Chairman, SAIMS invited as the Chief Guest at the prestigious program organized by Free Press

Dr. Vinod Bhandari, Founder Chairman of SAIMS was invited as the Chief Guest at the prestigious program organized by Free Press in collaboration with Lions District 3233G1.

The event, held on December 15, 2024, honored Lions members for their significant contributions to various social projects across the state. Lions District 3233 G1, with over 210 clubs and nearly 4,000 members, has been actively involved in service initiatives in villages, towns, and cities throughout Madhya Pradesh. The event was held at Free Press House, Indore.

WELCOME

We are honored to welcome Dr. David Cummings, world-renowned endocrinologist and Professor at the University of Washington, as Head of Obesity Medicine at Mohak Bariatric and Robotic Surgery Centre & IRCAD India.

This completes the circle of care at our center.

With Dr. Cummings on board, we will:

- 1. Initiate new drug trials.*
- 2. Bring advanced weight loss medications to India.*
- 3. Pioneer new research and patient care.*

Together, we are now a complete weight loss center with all three pillars of obesity care: Surgery, Endoscopy, and Medicine.

He will be available in India at our centre on fixed dates throughout the year for consultations and research.

Dr. Mohit Bhandari

Founder Director Mohak Bariatrics & Robotics
Pro Chancellor - SAU
President - IRCAD INDIA

CONGRATULATIONS DR. JYOTI BINDAL

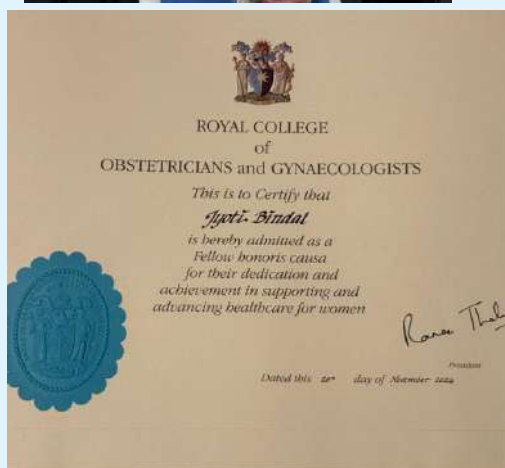

Huge congratulations to Dr. Jyoti Bindal, esteemed Vice Chancellor of Sri Aurobindo University, on being conferred the prestigious FRCOG (Honoris Causa Fellowship) by the Royal College of Obstetricians & Gynecologists, London!

A pioneering achievement, as she's the 1st Gynecologist in Madhya Pradesh to receive this highest honor!

Successful nominees demonstrate the highest level of expertise, dedication, and support for women's healthcare services.

We're beaming with pride as Dr Bindal brings this honour to our institute.

She is FOGSI Shiromani Awardee and Dr JG Jolley awardee from National Board too.

CONGRATULATIONS

Dr. R.K. Jha for being awarded RSSDI Fellowship in recognition of his contribution & commitment in the field of diabetes.

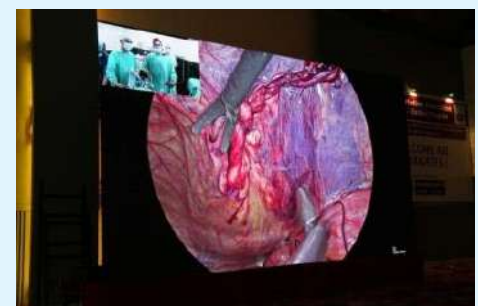

Dr. R.K. Jha for being awarded Fellowship by The Royal College of Physician of London.

1st Live Laparoscopic Surgery CME session in Ratlam, M.P.

On December 21, 2024, Dr Mahak Bhandari, Pro Chancellor SAU, renowned Laparoscopic Surgeon from Indore had the honor of conducting 1st Live Laparoscopic Surgery CME session in Ratlam, Madhya Pradesh. During the session 3 live laparoscopic surgeries were demonstrated to approximately 120+ doctors from Ratlam and surrounding cities. These surgeries were performed by Dr. Mahak Bhandari at Jain Diwakar Aurobindo Hospital in Ratlam.

All attendees expressed their appreciation for the surgeries & the skills of Dr Mahak.

Around 22 participants were enrolled for this course. Live Endoscopies, surgeries were shown inside the OR. Hands on Training was also done for all the delegates in the training lab followed by certification.

Happy to share that with the blessings of founder chairman Dr Vinod Bhandari and whole hearted support and encouragement by Vice Chancellor Dr Jyoti Bindal, Dean, student welfare, SAU Dr Jayshree Tapadia and Dean, SAMC and PGI Dr R. R. Wavare, Department of Pathology in collaboration with MELAP successfully organized four days Training course on ISO 15189:2022 version for Quality management system and Internal audit (NABL). 52 participants from different hospitals and institutes of Indore and nearby places were trained in this workshop.

BEWA (Bariatric Endoscopy World Association) FIRST WORLD CONGRESS OF BARIATRIC ENDOSCOPY- BEWACON 2024 19-20-21 DECEMBER 2024,

Venue-IRCAD-Indore,India: Where innovation meets excellence!

A world-class center dedicated to advancing surgical education, technology, and collaboration. Empowering surgeons with cutting-edge skills and transforming patient care through global expertise. Pioneering the future of minimally invasive surgery, right here in India.

BEWACON 2024 proved to be -A groundbreaking convergence of global experts, cutting-edge innovations, and transformative learning at IRCAD India. From live surgeries demonstrating advanced bariatric techniques to thought-provoking lectures and hands-on training, every moment of this congress shaped the future of bariatric endoscopy.

A true celebration of surgical excellence and collaboration on a global scale.

Global minds, groundbreaking innovation!

The world's leading faculties have come together at IRCAD India to reshape the future of bariatric endoscopy. With their expertise, cutting-edge techniques, and collaborative spirit, they paved the way for revolutionary advancements in patient care.

A true confluence of knowledge and vision, driving the evolution of bariatric solutions for a healthier tomorrow.

During BEWA 2024-From groundbreaking live surgeries to insightful presentations, the atmosphere is electric as global experts come together to share knowledge and innovation. Every session brings new learnings, new possibilities, and a collective passion for advancing bariatric endoscopy.

Live surgeries, insightful lectures, and hands-on training sessions showcased the very best of bariatric endoscopy. Experts and participants were collaborating, learning, and pushing boundaries to redefine surgical excellence.

With final day a culmination of learning, collaboration, and progress.

A moment of achievement! Certification at the 1st World Congress of Bariatric Endoscopy marks the culmination of dedication, learning, and hands-on expertise. This milestone reflects not just participation but a commitment to advancing bariatric care and innovation. Congratulations to all the achiever.

Frames filled with faces, hearts filled with purpose! The group photos at the 1st World Congress of Bariatric Endoscopy capture more than just smiles; they showcase a global symphony of unity, innovation, and collaboration. Every click tells a story of connections forged and milestones shared. Here's to moments that inspire and bonds that last!

भारतीय अवधारणा पर छात्राओं के साथ परिचर्चा डॉ. मनमोहन वेध के साथ-18 दिसम्बर 2024

श्री अरविंदो यूनिवर्सिटी, इंदौर में भारत की भारतीय अवधारणा पर छात्राओं के साथ परिचर्चा डॉ. मनमोहन वेध के साथ की गई। भारत की भारतीय अवधारणा एक जटिल और बहुस्तरीय विषय है, जिसमें हमारी संस्कृति, इतिहास, दर्शन और राष्ट्रीय पहचान के विभिन्न पहलू शामिल हैं। इस परिचर्चा में, डॉ. मनमोहन वेध के साथ भारत की भारतीय अवधारणा पर इसके विभिन्न पहलुओं को समझने का प्रयास भी किया गया। भारतीय अवधारणा की परिभाषा करना एक कठिन काम है, क्योंकि यह एक जटिल और बहुस्तरीय विषय है। लेकिन हम इसे इस प्रकार परिभाषित कर सकते हैं कि भारतीय अवधारणा से हमारा तात्पर्य है भारतीय संस्कृति, इतिहास और दर्शन की विशिष्टता को समझने की प्रक्रिया। साथ ही महिलाओं के हक उनके अधिकार उनके शैक्षणिक विकास आदि कई बहुमूल्य तत्व पर चर्चा की गई।

SAU hosted a “workshop on Know Your Antibiotics and Antibiotic Resistance”

The Indian Society of Critical Care Medicine, in association with the Department of Respiratory Medicine at SAIMS Indore, hosted a highly engaging workshop on "Know Your Antibiotics and Antibiotic Resistance" on December 22nd. The event, inaugurated by Dr. Vinod Bhandari, Founder Chairman of SAIMS SAU Indore, brought together experts and participants to discuss the practical aspects of antibiotics and antibiograms. The workshop featured informative sessions, case studies, and interactive discussions, providing a comprehensive understanding of antibiotic therapy and its applications in critical care medicine. With a focus on simplifying complex concepts, the workshop enabled participants to enhance their knowledge and skills, ultimately improving patient care and outcomes in critical care medicine.

Inauguration of Sukh Vishram Grah by Founder Chairman, SAIMS Dr. Vinod Bhandar, Chancellor SAU - Dr. Manjushree Bhandari & Pro-Chancellor, SAU-Managing Director, SAIMS Dr. Mahak Bhandari. This is a unique service by SAIMS for the benefit of the patients and attendents.
