HARMONY INAUGURATION

Harmony Fest is a captivating, vibrant event that harmoniously expresses a sports, literary, arts, and cultural extravaganza that brings students together to celebrate multiculturalism, union, and peaceful coexistence. During the Festival of Harmony, participants immerse themselves in a plethora of charismatic performances highlighting different themes such as Zen, Alfaaz, Meraki and Ullas. The essence of the fest emphasizes the proverb "Feel the Pulse and Join the Fusion" that delights the celebration of cultural fusion, creativity, and knowledge. This collective noun phrase encapsulates an unparalleled experience, igniting joy, fostering an atmosphere of appreciation, acceptance, and a collective vision for a unity.

The Gala event took place on March 8, where our esteemed dignitaries, Founder Chairman, Dr. Vinod Bhandari; Chancellor, Dr. Manjushree Bhandari; Vice Chancellor, Dr. Jyoti Bindal; Dean of Student Welfare, Dr. Jayshree Tapadia & Dean, Dr. R.R. Wavare; unveiled the poster and logo for the Annual Harmony Fest. The Poster unveiling ceremony brings together students and the teachers from the community, fostering a sense of unity.

MARATHON

On March 9th, 2025, Dr. Jayshree Tapadia, the Student Welfare Dean, meticulously orchestrated a marathon that not only focused on promoting fitness but also raised awareness for an incredibly important cause-breast cancer. Dr. Tapadia's unwavering dedication to student well-being and social causes is evident in her leadership and passion for organizing events that impact the community positively.

Her unwavering dedication to organizing this marathon demonstrates her strong commitment to student health and the battle against breast cancer. Through this platform, Dr. Tapadia has once again showcased her talent for educating and engaging participants, inspiring and bringing people together for a common goal. The event was an outstanding initiative, and her leadership highlighted her empathy and vision for a more informed and health

The marathon started right on time at 5:30 AM, featuring an energetic Zumba session led by the MBBS 2024 class. This upbeat warm-up quickly lifted the crowd's enthusiasm as they geared up for the upcoming race. The marathon kicked off at the lively DM Junction and wound its way through the charming Nordic High School before finishing at the peaceful Laser Garden. This thoughtfully chosen path showcased a delightful mix of urban scenery and natural landscapes, enhancing the experience for the runners. The selection of landmarks struck a perfect harmony between vitality and calm, ensuring that participants remained inspired throughout the route.

"The music of a marathon is a powerful strain, one of those tunes of glory. It asks us to forsake pleasures, to discipline the body, to find courage, to renew faith, and to become one's own person, utterly and completely." George Sheehan

ULLAS

Engagement in sports promotes mental well-being, reducing stress and anxiety while boosting self-esteem and confidence. The grand unveiling of ULLAS, the esteemed sports tournament, inaugurated on March 10th, 2025 and completed on 28th March 2025. The air was filled with enthusiasm and eager expectations. Students assembled on the field to witness this historic event along with the first cricket match of the Harmony Fest. The ULLAS ceremony was honored by the presence of Mayor Pushyamitra Bhargav along with SAIMS family.

The sports including, indoor and outdoor games such as Cricket, Chess, Badminton, Kho-Kho, Carrom, Basketball, Volleyball, and so on at SAIMS sports ground as well as in the sports complex.

The event began with a vibrant and enthralling dance performance followed by the eagerly awaited inaugural cricket match of Harmony 2025, with an electrified crowd cheering passionately. Indeed, the sports event was an extraordinary celebration of talent, spirit, and the sheer joy of sportsmanship, leaving a lasting impression on all who were fortunate enough to witness this wonderful event under the leadership of Dr. Bhupesh Bagulkar & Dr. Mayank Rahul.

ZEN

The cultural event Zen scheduled to take place from March 22 to March 29, 2025. The event featured a wide range of students' performances in Mime acts, Singing, Dance competitions, Antakshari, Band-War, Drama, Mr. & Ms. SAU and Filmmaking events.

The vibrant cultural event serve as a platform for students and artist to highlight their talents through performance and competition. The event fosters innovation, artistic expression, making it a memorable experience for both performers and audience. Zen event was successfully coordinated and directed by Dr. Rupa Chapparwal & Dr. Deepa Nair under the guidance of Student Welfare Dean; Dr. Jaishree Tapadia.

MERAKI

Meraki, it is a remarkable term that describes a way of doing things with passion, with all of your heart and soul, and it is a philosophy to live by. Meraki derived from Greek language; it means the "essence of yourself." However, it has a translation that transcends many languages and cultures, and represents a concept that is deep and powerful. It is doing something with creativity; passion and love that makes everything sparkle and shine.

The Meraki competition took place from March 24 to March 26, 2025, featuring activities like Titbit, Clay moulding, Hair and Makeup, Mandala art, Mehendi; Face painting, SAIMS logo etc. where undergraduate students displayed exceptional talent creativity, and teamwork.

Dr. Jayshree Tapadia Ma'am, our respected Student Welfare Dean, whose unwavering support and guidance played a pivotal role in making this event successful. We are immensely grateful to our esteemed judges for taking the time to evaluate the performances and guide our participants with their valuable insights. Their expertise and encouragement added great value to the fest.

Most importantly, we extend our heartfelt thanks to all the participants whose enthusiasm, creativity, and dedication made each event truly exceptional. Your efforts and passion brought life to this fest, making it a memorable celebration for everyone. Here is to another year of celebrating talent, teamwork, and unforgettable moments.

ALFAAZ

"Alfaaz" are more than just words; they are emotions woven into sentences, stories that breathe life into paper, and thoughts that echo across time. Literature has always been a guiding force in shaping perspectives. ALFAAZ holds a special significance in Harmony, which provides students with an avenue to express their creativity, emotions, critical thinking, enhance their communication skills, and engage in intellectual discussions.

The literacy event will be held from March 24 to March 28. The Alfaaz event commenced with the lighting of the lamp, calling upon the blessings of Goddess Saraswati, led by Dr. Mahak Bhandari, Managing Director and Pro Chancellor, Dr. Jaishree Tapadia, Dean of Student Welfare and Dr. R. R. Wavare, Dean, along with our esteemed judges. The students participated in literacy activities such as Poetry, Storytelling, Extempore, Debate, Quiz, Pictionary, Scattogories and more.

Dr. Jaishree Tapadia, Dean of Student Welfare, with her literacy in charge Dr. Garima Sinha and Ms. Priyanka Dubey ensured that the event was well-coordinated, secure, and enriching for all participants.

SUFI NIGHT

A popular Sufi singer Chandan Jaiswal recently captivated audiences at Harmony 2025 with a mesmerizing Sufi Night performance. Held at Sri Aurobindo University on 27 March 2025, the event showcased his soulful renditions of traditional Sufi melodies, leaving attendees enchanted.

The atmosphere was serene and reflective, as his haunting melodies and heartfelt lyrics resonated with listeners, evoking a sense of peace and spiritual unity. Backed by a talented ensemble, Jaiswal's

live set displayed his mastery in blending classical Sufi traditions with contemporary sensitivity. The performance was more than just music—it was an immersive experience of devotion and artistry. Chandan Jaiswal's ability to connect deeply with audiences continues to establish him as a leading voice in the Sufi music scene, making Sufi Night a standout event of the fest.

MUSICAL NIGHT

Madhur Sharma is a Singer, songwriter and composer. His soulful voice delivered an enchanting performance at Sri Aurobindo University's Harmony 2025 event on March 28. Madhur Sharma enthralled audiences with his soulful live performances, showcasing his popular hits like, "KaliKaliZulfonKe," a classic cover of Ustad Nusrat Fateh Ali Khan's. "KehnaGalatGalat x HalkaHalkaSuroor," blending two iconic songs into a seamless performance, his original track "KivenMukhde" highlights his ability to create emotive melodies, and gave a glimpse of his unreleased song, "TereApne".

The audience was left in awe as he offered a sneak peek of his unreleased song "Tere Apne", leaving fans excited for more. With his emotive performance and powerful stage presence, Madhur Sharma made the night one of the most memorable moments of Annual Harmony Fest 2025.

CULTURAL NIGHT

The annual College Night at Sri Aurobindo University was a vibrant celebration of talent, creativity, and cultural expression, uniting the top three finalist's students from various competitions for a truly unforgettable evening. The event kicked off with captivating solo, duet, and group dance performances, each filled with energy, grace, and expressive storytelling. The drama segment transported audiences with performances ranging from thought-provoking to comedic.

Musical acts featured soulful soloists, harmonious duets, and powerful group renditions, while the band war electrified the crowd. The Mr. and Ms. SAU contest added a touch of glamour, as participants have displayed confidence and social awareness.

The fashion show dazzled with a fusion of traditional and modern styles, with faculty members join the night. The evening concluded on a high note with a lively Bollywood Night, bringing everyone together in celebration. College Night 2025 was a true showcase of the university's talent and vibrant spirit.

DJ NIGHT

Harmony Fest 2025 at Sri Aurobindo University in Indore featured an electrifying DJ night with Lost Stories on March 30. Lost stories is an Indian DJ and music production duo composed of Prayag Mehta and Rishabh Joshi. They are best known for their unique blend of Indian folk sounds with electronic music. Their fusion of progressive house, future bass and Bollywood-inspired remixes sets create an electrifying atmosphere. The performance was characterized by pulsating beats, seamless transitions, and immersive visuals, creating an unforgettable atmosphere.

The college annual Harmony fest was a triumphant celebration of students' abilities, creativity, accomplishments, and leadership skills of designated event secretaries. The occasion highlighted a variety of performances, reflecting the college's dedication to promoting student growth, development, and involvement.

We do not remember days, we remember moments

Sri Aurobindo University Organises Centennial Birthday Celebration of DR R S MEHTA

28th March 2025 will be remembered for years to come by medical fraternity of Indore, as Dr. Vinod Bhandari, Dr. Manjushree Bhandari organized the 100th Birthday celebration of Dr R S Mehta sir in a hybrid mode.

While Prof. Mehta Sir was in USA with his both sons Mr. Deepak Mehta & Dr Parag Mehta and their families, his students, peers joined in person at the Shri SM Bhandari Auditorium at SAIMS, Indore and many others joined online at Zoom platform.

Dr. Manjushree Bhandari, Chancellor SAU welcomed the guests while Dr. Vinod Bhandari, founder Chairman SAIMS, elaborated on the idea of how this program was conceived.

Dr. Dilip Kumar Acharya gave opening remarks & conducted the program.

Dr. Vidhyut Jain gave the salient features of his biodata, Dr. Basant Lunia, Dr. JS Kathpal, Dr. Arvind Pancholia, Dr. Aveg Bhandari shared their anecdotes & thoughts.

Dr. R. Pathak, Dr. KC Khare, Dr. Apoorv Pauranik, Dr. Lalit Pandya (UK), Dr. Anil Sharma (USA), had sent their video of birthday wishes for sir and the videos were played.

Dr. Satyavan Sharma-Mumbai and many others who had joined online also conveyed their Birthday wishes and spoke very highly about sir. A poem by Dr. Dilip Kumar Acharya along with old photographs of Sir, were also displayed on screen.

A beautiful cake depicting "100" having a stethoscope on "1", Brain on "0" and Heart on another "0" (as sir is known as a Neurologist & Cardiologist too) was made. The cake cutting ceremony in Indore was performed by Dr. KC Sharma, Dr. Vinod Bhandari, Dr. Manjushree Bhandari, Dr. Dilip Acharya, Dr. Natwar Sharda, Dr. Sanjay Agrawal & others. The cake was designed by Mrs. Dolly Behl, CEO SAIMS.

Prof. RS Mehta sir got very emotional during his speech, but after requesting spoke at length about his journey of 100 years, thanked the organizers and appreciated Dr. Vinod & Dr. Manjushree Bhandari.

Dr. Parag Mehta his son also spoke and shared a few anecdotes and also shared thoughts of some of the students of Sir, which were conveyed to him. Deepak also chipped in between.

Later Dr. KC Sharma, Dr. C.P. Kothari, Dr. Sanjay Agrawal, Dr. Vijay Garg, Dr. Aveg Bhandari, Dr. Akhilesh & Dr. Roma Shukla, Dr. Rajendra Agrawal also shared their memories with Prof. RS Mehta sir.

Master of Ceremony Dr. Acharya, thanked Dr. Natwar Sharda, Dr. Chhaya Goel, Dr. Pradeep Shrivastava for their support. Mr. Himanshu Shrivastava & his team was congratulated for the well equipped four camera team, flawless transmission, excellent audio visual by Mr. Deepak Mehta-Sir's son and all present.

Dr. Ajay Parikh proposed the vote of thanks. In the end a standing ovation & Birthday wishes were given by all present in the hall and Sir also gave his blessings to all.

The celebrations were followed by fellowship and tasty food with unique varieties at the newly built Indore International Convention Centre, the ambiance of which was highly appreciated by all present.

Successful CME Organized by the Department of Microbiology at SAIMS

The Department of Microbiology, under the visionary leadership of Dr. Kamlesh Kumar B. Patel, successfully hosted a Continuing Medical Education (CME) program at SAIMS Medical College on 1st March 2025.. The event brought together experts from the field of microbiology and pathology to share their insights and latest advancements in research and diagnostics. The inauguration ceremony was graced by the esteemed presence of Dr. Mahak Bhandari (Pro-Chancellor, Sri Aurobindo University), Dr. Jaishree Tapadia, Dr. Sanjay Dixit, and Dr. Anand Mishra, who emphasized the importance of microbiology in modern medicine and the necessity of continuous learning in the field.

Eminent Speakers & Sessions

The CME featured distinguished speakers who delivered insightful lectures on various topics. The key speakers included Dr Shilpi Gupta, Dr Tukaram Prabhu, Dr Susmit Koshpa, Dr Anjali Kushwah and Dr Trupti Bajpai

Acknowledgments & Gratitude

The event was a grand success, thanks to the relentless efforts of the faculty members, including Dr. Kamlesh B. Patel, Dr. G. S. Bhatambre, Dr. Rituja Prakash, Dr. Trupti Bajpai, Dr. Sonu Maity, Dr. Manish Chouhan, Dr. Vaibhavi Subedar, Dr. Sabiha Ahmed, Dr. Unnati Ojha, and Dr. Shrankhla Jain, along with Amit Pareek. Their contributions were pivotal in ensuring an enriching academic experience.

A special vote of thanks was extended to Dr. S. S. Satya (CMHO, Indore) for his guidance and support.

The Department of Microbiology expresses its sincere gratitude to all sponsors, volunteers, and participants, whose dedication and enthusiasm played a crucial role in making this CME a remarkable success.

With the overwhelming response and positive feedback, the department looks forward to organizing more such educational and research-driven events in the future.

Pocus(point of care ultrasound and Echo) a Resounding Success in Pediatric Medicine!

"Pocus" workshop(4th edition) was organized by the Department of Pediatrics ,SAIMS and IAP! on 24th March 2025 Led by esteemed experts including pediatric cardiologists, neonatologists, and pediatric intensivists(Dr Prashant Agrawal ,Dr Sanjukta Bhargav,Dr Gaurav Mogra,Dr Abha Jain,Dr Anshul Jaiswal ,Dr Ankur Joshi)the workshop provided invaluable insights into point-of-care ultrasound and echocardiography.

Under the meticulous organization of Dr. Prashant Agrawal, the event attracted a diverse audience, including faculty, postgraduate students, and pediatricians from medical colleges across Madhya Pradesh.

This gathering not only facilitated knowledge exchange but also fostered collaboration among healthcare professionals, ultimately enhancing pediatric care standards.

We extend our heartfelt gratitude to all attendees for making this workshop a resounding success and look forward to more enriching experiences in the future!

Organised by

Dr. Gunjan Kela
Professor and Head
Dept. of Pediatrics, SAMC & PGI, Indore

Dr Prashant Agrawal
Pediatric Cardiologist
Dept. of Pediatrics, SAMC & PGI, Indore

IRCAD India Successfully Concludes 2-Day Basic Upper GI Endoscopy Training Program (19-20 March 2025)

The Basic Upper GI Endoscopy Training Program held on 19-20 March 2025 at IRCAD India was a comprehensive, hands-on learning experience designed to equip surgeons with essential endoscopic skills. The two-day course featured expert-led lectures, live case demonstrations, interactive discussions, and hands-on training with the Olympus Endoscopic Simulator. Participants gained valuable insights into diagnostic and procedural techniques, commonly encountered pathologies, interpretation and reporting, and special considerations in Upper GI Endoscopy.

The program concluded with an Open House Discussion, followed by certificate distribution, recognizing the participants' dedication to advancing their expertise in minimally invasive endoscopic procedures.

SAU organized a workshop on Cultivating a Dedicated Academic Culture: Challenges and Solutions

Sri Aurobindo University took a significant step towards fostering academic excellence by organizing a thought-provoking workshop on 'Cultivating a Dedicated Academic Culture: Challenges and Solutions' on 10th March. The event was graced by the esteemed presence of Dr. Jyoti Bindal, Vice Chancellor of SAU, who shared her invaluable insights and expertise.

The workshop witnessed enthusiastic participation from faculty members, PG students, and students, all of whom engaged in meaningful discussions and debates on the challenges and solutions for creating a dedicated academic culture. The event provided a platform for the academic community to come together, share best practices, and explore innovative strategies for promoting academic excellence. With its focus on collaborative learning and academic growth, this workshop was a testament to SAU's commitment to nurturing a culture of excellence and innovation.

A CME on Pharmacovigilance was organized by Department of Pharmacology

Regional Pharmacovigilance Centre under Pharmacovigilance Programme of India (PvPI) at Department of Pharmacology, Sri Aurobindo Medical College & PG Institute, Sri Aurobindo University, Indore in collaboration with National Coordination Centre, Indian Pharmacopoeia Commission, Ghaziabad organized a CME on March 27, 2025 at LOTUS Hall, SAIMS.

The theme of the CME was 'Real world applications of Pharmacovigilance in Clinical Decision Making'

Dr. Chhaya Goyal (Coordinator, PvPI, SAIMS) in her opening welcome address emphasized the ever-growing significance of pharmacovigilance. She also stressed the need to improve adverse event detection, its management and timely reporting to pharmacovigilance centers.

Dr. R.R. Wavare (Dean, SAMC), Dr. Sanjay Dixit (DME, SAMC) inaugurated the CME with lamp lighting followed by Saraswati Vandana.

Guest Speaker Dr. Kailash Bhatia (Professor & Head, Skin & VD, SAMC) delivered insightful presentation on the topic 'Overview of Cutaneous Adverse Drug Reactions'. He shedded light on various types of adverse drug reactions that dermatologists encounter in day-to-day clinical practice, ranging from mild rashes to life threatening reactions such as Stevens Johnson Syndrome & Toxic Epidermal Necrolysis.

Dr. Vikas Asati (Professor, Medical oncology, SAMC) as another Guest Speaker of CME with his opening session on the myths of cancers covered recent advances in chemotherapy and in depth knowledge of adverse effects associated with chemotherapy captured the attention of every participant.

Final session on Adverse Drug Reaction Form filling by Healthcare Professional was briefly covered by Mr. Mohammad Rafi (Pharmacovigilance Associate-PvPI)

A total of 85 participants including clinicians, pharmacologists from other medical colleges, residents and clinical research professionals attended this CME.

Dr. Pooja Reddy (Deputy Coordinator, PvPI, SAIMS) expressed vote of thanks concluding the educational event.

Sri Aurobindo University celebrated International Women's Day

Sri Aurobindo University proudly celebrated International Women's Day on March 8th, honoring the incredible women who make a difference in our lives and community! The event was a vibrant celebration of womanhood, attended by our esteemed faculty members, staff, and students. The highlight of the celebration was a cake-cutting ceremony, where our ladies and faculty members marked their presence, adding a sweet touch to the occasion.

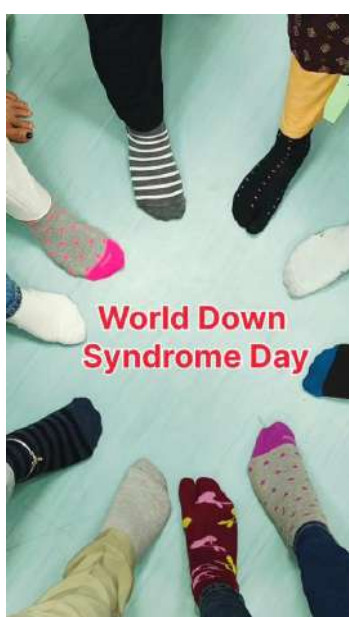

The ceremony was a symbol of unity, solidarity, and empowerment, as our women faculty members and students came together to celebrate their achievements and contributions. We're proud to have celebrated this special day with our university community and look forward to continuing to promote women's empowerment and gender equality throughout the year.

Dept of Biochemistry and Dept of Molecular Biology

Dept of Biochemistry and Dept of Molecular Biology

Observed World Down's Syndrome Day (WSDS). This day is observed on March 21st every year. The date was chosen to signify the uniqueness of the triplication (trisomy) of chromosome 21, which is the genetic condition that causes Down syndrome.

The day is an opportunity to:

- Raise awareness about Down syndrome
- Promote inclusion and acceptance of people with Down syndrome
- Advocate for the rights and dignity of individuals with Down syndrome
- Celebrate the achievements and contributions of people with Down syndrome

The theme for World Down Syndrome Day 2025 is "Improve Our Support Systems".

We participated in "Lots of socks campaign" and made a small educational reel as a part of celebration.

*Dr Kavitarati Dharwadkar and team
Prof and Head, Dept Biochemistry*

*Dr Susmit Kosta and team
HOD, Molecular Biology*

CONGRATULATIONS

Dr Advait Prakash & team for operating a three day old neonate 2.4 kg with congenital diaphragmatic hernia with small bowel, colon and spleen in left hemithorax. This surgery was performed successfully by THORACOSCOPY by 3 small (3 mm) incisions. We could thus avoid thoracotomy and laparotomy scars. The newborn recovered well and has been discharged on full feeds on POD 8.

We express heartfelt gratitude to founder chairman sir for his vision and encouragement. Sincere thanks to Dr Abha Jain and Dr Gaurav Mogra for high quality neonatal care. We greatly fully acknowledge the contribution of department of Anesthesia led by Dr Sarita Gohiya. We sincerely appreciate the efforts of the post graduate residents of departments of Surgery and Pediatrics along with the OT and Nursing staff. Seeking your blessings as we embark upon our journey in NEONATAL MINIMAL ACCESS SURGERY on the auspicious occasion of Gudi Padva.

*Dr Advait Prakash
Dr Pankaj Shastri*

CONGRATULATIONS

Dr Kavitarati Dharwadkar has been selected from India (AMBI) as Corresponding member of IFCC Committee on Mobile Health and Bioengineering in Laboratory Medicine (C-MHBLM)

We are pleased to extend an invitation to Dr. Dharwadkar to participate in the C-MHBLM as a Corresponding Member. Corresponding Member have equal rights to contribute to the Committee's work, with the only difference being that they are not eligible for financial support to attend meetings.

The ETD's decision was made after careful consideration of various factors, including the candidates' expertise, previous involvement with the IFCC, and geographic representation. This decision was subsequently approved by the IFCC Executive Board.

Name	Full and Affiliate Member Societies
Irena Korita	Albanian Society of Clinical biochemistry and Laboratory Medicine (ASoLaM)
Ramy Khalil	Egyptian Association of Healthcare Quality and Patient Safety (EAHQPS)
Pradeep K Dabla	Association of Clinical Biochemists of India (ACBI)
Kavitarati Dharwadkar	Association of Medical Biochemists of India (AMBI)

CONGRATULATIONS

Dr Sagar Hadda JR3, Dept. of Medicine received 3rd prize in oral paper presentation in 2nd central zone APICON 25 At Bhopal. He received certificate & Cash prize of Rs 3000.

World Glaucoma Week

We are happy to share that World Glaucoma Week, is a global initiative to raise awareness about glaucoma, is being celebrated from March 9th to March 15th this year. With blessings of Our chairman sir and under the guidance of Dr Shreya thatte as part of our efforts, we have planned various activities, in SAIMS.

- Glaucoma screening outreach camps in different locations across the city. During the camp we screened 500 patients in 2 days out of which more than 150 patients were 40 years and above ...in 150 patients 10-15 patients were diagnosed to have glaucoma....which were almost 3% of the population and is quite significant.

- These camps are being held in our state-of-the-art Divya Drishti eye bus, which are equipped with cutting-edge facilities for various ophthalmic specialties.

To further spread awareness, we also played

- Glaucoma awareness videos and Posters in our OPDs, and outreach camps

- To educate more people about glaucoma we displayed the Posters and videos in registration counter as well.

we organized an Inter-College Glaucoma E poster Competition among unde graduate and post graduate students The event aimed to raise awareness about glaucoma and saw enthusiastic participation from students across various medical colleges in the city.

The quiz competition was followed by an award ceremony on March 12th, where the winners were felicitated with prizes by our esteemed judges:

- Dr. Jaishree Tapadia, Dean, Student Welfare, Sri Aurobindo University & Prof and Head dept. of Physiology

- Dr. Ajit Deshpande, Professor and Head, Department of Community Medicine

- Dr. Shreya Thatte Professor and Head Department of Ophthalmology

We were thrilled to see the enthusiasm and engagement among both postgraduate and under graduate medical students.

Our Aim was to spread the Glaucoma awareness among general population as it is a silent killer of sight.

It was a Resounding success!!! Here are the few glimpses of the Glaucoma week.

REPORT ON BCME (MARCH 2025)

“Education is the most powerful weapon which you can use to change the world.”

—Nelson Mandela.

BCME-(Basic Course in Medical Education) workshop was conducted from 24th to 26th March, 2025 under the aegis of Sri Aurobindo Medical College & PG Institute, Indore, Founder Chairman Dr. Vinod Bhandari, Chairperson Dr. Manjushree Bhandari, Dr. Mrs. Bose, Director Medical Education and Ex-Convenor of MEU- Medical Education Unit. Venue: Regional Training Centre, Medical Education Unit, SAIMS, Indore.

BCME-(Basic Course in Medical Education) workshop was, attended by 30 participants from faculty of some new medical colleges across Madhya Pradesh as well as GMC Chittorgarh (Rajasthan). The inauguration session was conducted by Dr. Nitin Nema, Convenor, RTC, MEU, SAIMS, Indore in the presence of Dean Dr. R.R. Wavare and Dr.

Praveen Arora, Co-convenor, Dr. KK Arora, Coordinator, MEU, RTC, SAIMS, Indore and Dr. Sanjay Dixit, DME, Medical Education.

The routine of beginning the workshop with blissful morning prayer was followed religiously at the beginning of each day's session. The three-day long BCME workshop was alike a grand gala festival of knowledge and the participants were overwhelmed at the end of their three day long journey at this Regional Training Center (RTC). Lectures were conducted by resource faculties viz. Dr. Nitin Nema, Dr. RR Wavare, Dr. Praveen Arora, Dr. K.K. Arora, Dr. Chhaya Goyal, Dr. Kavitarati Dharwadkar, Dr. Manjunath Motagi, Dr. Vishal Surwade, Dr. Apurv B. Thakur, Dr. Deepa Nair, Dr. Prachi Paliwal and Dr. Bandita Medhi, under the able guidance of senior resource faculties of the MEU. Apart from lecture, there were hands-on workshops in which the participants learned the various nitty-gritty of the medical education and how to implement it.

महू के डॉक्टर ने किया महू का नाम रोज़ान

डॉक्टर रोहित को 10 मार्च 2025 को भारतीय थल सेना के अध्यक्ष जनरल उपेन्द्र द्विवेदी के द्वारा महू के आर्मी वार कॉलेज में मिला ऐतिहासिक सत्कार (ARMY CHIEF's COMMENDATION). महू शहर के इतिहास में शायद यह पहला सम्मान किसी डॉक्टर को मिला है, इसी तरह से पूरे भारत में आर्मी चीफ द्वारा सम्मान पाने वाले डॉक्टर रोहित महेश्वरी पहले फिजियोथेरेपिस्ट हैं।

डॉक्टर रोहित माहेश्वरी इंदौर के IIMS कॉलेज के प्रथम बैच से हैं उनके द्वारा बताया गया कि उनकी पढ़ाई के दौरान प्रेरणा स्रोत रहे डॉक्टर भंडारी सर को आदर्श मानते हुए आज इस सम्मान तक पहुँचे। फिजियोथेरेपी तो AIIMS दिल्ली में भी है जहाँ हमारे आदरणीय राष्ट्रपतिजी, प्रधानमंत्री जी एवं सभी शीर्ष अधिकारीगण इलाज लेते हैं परंतु भारत के आर्मी चीफ द्वारा मध्य प्रदेश के फिजियोथेरेपिस्ट को COMMENDATION देना यह भी दर्शाता है कि हमारे प्रदेश में स्वास्थ्य सुविधाओं का स्तर बेहतर हो चुका है एवं शीर्ष पर है।

Advanced Orthopedic Cadaver Course Series at IRCAD India – Elevating Surgical Excellence

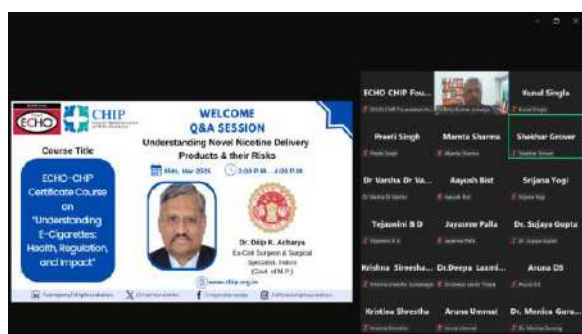

From March 21st to 23rd, 2025, IRCAD India, in collaboration with MYTRI, successfully hosted an intensive three-day Advanced Orthopedic Cadaver Course Series at IRCAD India, Indore. This specialized program featured hands-on training in Spine, Shoulder, Hip & Knee Arthroplasty, bringing together esteemed faculty and enthusiastic participants from across the country. Each day was dedicated to a specialized surgical discipline:

- March 21st – Advanced Spine Cadaver Course (Biportal Endoscopy & Trans-Kambin Fusion)
- March 22nd – Advanced Shoulder Arthroscopy & Arthroplasty Course
- March 23rd – Advanced Hip & Knee Arthroplasty Course

The courses combined theoretical insights, live cadaveric demonstrations, and practical hands-on training with expert faculty guidance. Surgeons honed their skills using cutting-edge techniques in a state-of-the-art facility at IRCAD India, further strengthening the standards of minimally invasive and reconstructive orthopedic surgery. The event concluded with resounding success, reinforcing IRCAD India's commitment to advancing surgical education and fostering innovation in orthopedic procedures. We extend our gratitude to the esteemed faculty, participants, and organizers for making this event a remarkable learning experience!

CONGRATULATIONS

Dr. Dilip Kumar Acharya, delivered a speech & conducted an online Q&A Session on Understanding Novel Nicotine Delivery Products & their Risks as part of ECHO-CHIP Certificate Course on Understanding E-Cigarettes: Health, Regulation and Impact on 5th March 2025.
