Honored to lead an impactful Hernia Workshop By DR. MAHAK BHANDARI

Empowering surgical brilliance!

Honored to lead an impactful Hernia Workshop at Mohak Bariatrics and Robotics, where over 15 skilled surgeons honed their craft with cutting-edge Da Vinci System robots. With the expertise in laparoscopic, bariatric, and robotic surgery, our team delved into a spectrum of hernia cases, enriching our Hernia Program on May 4, 2024. Here's to advancing patient care through innovation and collaboration.

SAVE BIRDS, SAVE ENVIRONMENT

A Pledge – To put water pot for Birds in summer

Beyond just teaching academics, Sri aurobindo university shapes individuals into well-rounded, knowledgeable, and socially responsible citizens. The Campus of Sri Aurobindo University have gardens, with her velvet lawns, assorted plants, flowers and trees, provide the ideal environment for making habitat for the birds SAU has organized a drive to put water filled “Shakora” (water pot) for the birds.

The drive is led by Dr Jayshree Tapadia Dean student welfare SAU and Dr Anand Misra, Registrar SAU, a big number of students from Dental and Physiotherapy college participated in the event. Around 50 water filled shakoras were placed so that all the birds can have easy accessibility of water in hot summer.

जैन दिवाकर श्री औरोबिंदो हॉस्पिटल द्वारा मतदाताओं को निःशुल्क ORS वितरण किया गया।

REPORT ON WORLD ORTHODONTIC HEALTH DAY

Department of Orthodontics & Dentofacial Orthopaedics of Sri Aurobindo College of Dentistry, Indore commemorated World Orthodontic Health Day on 15th May 2024 in our esteemed institution, as 15th May marks the signing of the WFO's charter in 1995 during the 4th International Orthodontic Congress in San Francisco to celebrate the occurrence and promote the specialty.

The theme of this program was "Changing Lives One Smile at a time" and to create awareness about Orthodontics and overall health amongst children and general public. The World Orthodontic Health Day celebration in the Department of Orthodontics and Dentofacial Orthopaedics was a remarkable event that brought together students, faculty, and dental professionals to commemorate the importance of Orthodontics in dental health care. In the whole event, Interns, post graduate students, Faculties and respected HOD's of other departments have actively participated which led to huge success of our wonderful event. The event was graced by the chief guest Dr. Kanteshwari I.K. (Principal, Sri Aurobindo College of Dentistry, Indore).

Dr. Kanteshwari I.K. was warmly welcomed by Dr. Ashish Garg (Prof. & HOD, Department of Orthodontics and Dentofacial Orthopaedics) Dr. Ashish Garg briefly explained about the importance of orthodontic treatment done by specialised Orthodontist. The Post graduate students participated in various competition as proposed by Indian Orthodontic Society on the occasion of World Orthodontic Health Day.

Orthodontic awareness IOS video was played for entire week in our OPD area for awareness among children and general public. Various competition has been held like rangoli making and best adams clasp wire bending.

The participants made rangoli based on the theme of the program. Best Adams Clasp wire bending. Overall this program was a great success with enthusiastic participation of students, staff and faculty members of all the other departments. We were successful at creating general awareness regarding Orthodontics and received appreciation by everyone.

Dr. Ashish Garg
(Prof. & HOD)
Department of Orthodontics
and Dentofacial Orthopaedics

New Era in Structural Heart Interventions

Beginning of a New Era in Structural Heart Interventions @ MOHAK HEART COMMAND CENTRE, INDORE
 Glad to inform that we did our 1st case of TAVI (Transcatheter Aortic Valve Implantation) successfully at MOHAK HEART COMMAND CENTRE, INDORE. The patient a Septuagenarian Male post-CABG presented with severe calcified Aortic stenosis, post tavi mean gradient declined from 44mmhg to 3 mmHg. SAIMS has become the 1st Medical College of MP to perform TAVI under its roof... Very few centers in Central India have done TAVI till now, SAIMS now being one of them.

Congratulations - Radiation Oncology Department

Dr. Deepika Malik, Associate Professor, Radiation Oncology was invited as faculty at the 46th Postgraduate teaching course by Indian College of Radiation Oncology, an integral part of Association of Radiation Oncologists of India, held on 20th and 21st April 2024 at Jawaharlal Nehru Cancer Hospital and Research Centre, Bhopal.

The theme for the course was "Management of Radiation Toxicities", and Dr. Malik talked on a much needed topic-

"Cancer Survivorship- challenges and opportunities". The talk was very well recieved and appreciated by many. The course was attended by faculties and students from across India physically and surrounding countries virtually.

World inflammatory bowel diseases day

World inflammatory bowel diseases day was celebrated on 19th May 2024 by the Department of Gastroenterology, Dr. Mohd. Talha Noor (Prof. & Head of Dept.) and his team discussed and introduced this disease to the patients and made them aware of the fight against inflammatory bowel diseases (IBD). A team of specialists will be on-hand throughout the day to discuss these chronic diseases with patients and their families, and to introduce them to the latest in diagnosis and treatment. Inflammatory bowel disease (IBD) refers to a group of disorders that affect the intestines. IBD includes Crohn's disease and ulcerative colitis, which are chronic conditions that cause inflammation in the digestive tract.

IBD can lead to pain, diarrhoea, fatigue, and weight loss. Symptoms vary and include abdominal pain, fatigue, diarrhoea, and sometimes bloody stools. Although the exact causes of IBD are still unknown, advancements are being made in treatments that can help patients manage their symptoms. World IBD Day provides an opportunity to honor and support those living with IBD while also advocating for better medical care, resources, and understanding of the condition.

World Hypertension Day 2024

"World Hypertension Day " is celebrated every year on 17th of May. The Dept. Of Community Medicine, performed Nukkad Natak under the guidance of Dean Dr. R R Wavare , HOD Dr. Ajit Deshpande. The event was organised by UHTC Incharge Dr. Mayank Rahul and was coordinated by Mr. Mandloi and postgraduates. Nukkad Natak was presented by the interns as follows. Dr. Farida Pithewan, Dr. Hasnain Hussain, Dr. Sumit Patidar, Dr. Krishnapal chawda, Dr. Dinesh Singh.

CASAK Unique Cadaveric Arthroscopy Hands-on training on 12th May 2024

SAU organized a Unique Cadaveric Arthroscopy Hands-on training course for the skill development of new budding surgeons for Shoulder & Knee injuries. It was a day workshop with advanced equipment and the latest technology. Various Joint surgeries were demonstrated on cadavers & then delegates were given time to reproduce the same methods on cadavers.

This helps in understanding the steps & to get accuracy in doing surgery without fear of complications.

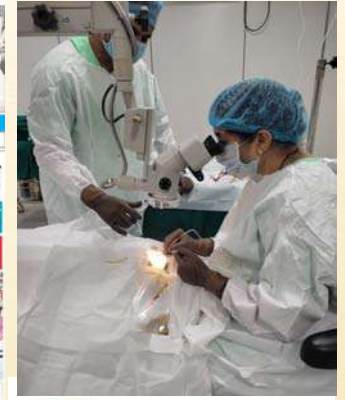

Two days Largest Multi- specialty Health camp in Civil Hospital Jaura (Morena)

Two days Largest Multi- specialty Health camp organized by Sri Aurobindo Hospital in collaboration with Mankameshwar Mandir Nyas, Jaura in Civil Hospital Jaura (Morena) with a team of more than 250+ Medical professionals of SAIMS.

On 1st day more than 2500+ patients screened in different medical specialties and 26+ cataract surgeries performed by team of doctors.

विश्व तम्बाकू निषेध दिवस

श्री अरबिंदो विश्वविद्यालय, इंदौर के द्वारा लोक स्वास्थ्य दंत चिकित्सा विभाग द्वारा 31 मई को विश्व तम्बाकू निषेध दिवस मनाया जिस में श्री अरबिंदो दंत चिकित्सा महाविद्यालय के छात्रों ने इस में हिस्सा लिया और नुक्कड़ नाटक की मदद से इंदौर के लोगो में जागरूकता अभियान चलाया ओर तम्बाकू के होने वाली बीमारियों के बारे में बताया ।

WORLD NO TOBACCO DAY

On the occasion of World No Tobacco Day on 31st May-our Dr.Dilip Kumar Acharya, was on AIR Akashwani in a talk show, aired live-YUVA VANI-discussing various aspects of health hazards of tobacco and quitting methods.

विश्व तंबाकू निषेध दिवस
31 मई

****तंबाकू जानलेवा है****

रगड़कर हथेलियों पर जिस को दबाते हो बीच अपने गाल।
तंबाकू तो सिर्फ एक नाम है असल में वह है तुम्हारा काल।

खैनी, गुटका, पाउच, तंबाकू तेरे ना जाने कितने सारे नाम।
धीरे धीरे सारे शरीर का, बस यह कर देता है काम तमाम।

धुंआ बनकर उड़ जायेगी जिंदगी, बीड़ी सिगरेट के कश में।
इज्जत पैसा स्वास्थ्य, सब बर्बाद कर देते हो तंबाकू के वश में।

कैंसर ने फेफड़े खराब कर दिए, अब बैठकर रात भर खांस।
घरवाले भी अब सोच रहे, कि ना जाने कब निकलेगी सांस।

नादान हैं वो जो, धूम्रपान करने में समझते हैं खुद की शान।
एक बार तो सोचें जरा, कि उनसे जुड़ी है कितनी सारी जान।

तंबाकू से होता है कैंसर, टीबी, लकवा और हृदय आघात।
तंबाकू को सदा के लिए छोड़कर जियें जीवन की सौगात।

Activities done by IMA Indore in the month of May...

Organised one of the biggest sports events of IMA Indore, which was attended by more than 700 doctors and their family members at Olympus Academy, Indore. Congratulations to the winning team MYSC Indore, who gave an excellent performance in cricket throughout the tournament under the captaincy of Dr. Deepak Gawali. Another commendable aspect, apart from the cricket tournament, was the enthusiasm and zeal displayed in badminton, table tennis, and swimming by all members of IMA Indore across all age groups! Some jaw-dropping matches were witnessed in badminton and table tennis. The players showcased their incredible skills and sportsmanship, leaving the audience in awe. Special focus was on the promotion of voting among doctors and the medical fraternity in Indore for the upcoming elections.

10th May - Camp on the occasion of World Ankylosing Spondylitis Day held in Clinical Immunology and Rheumatology Clinic Indore. Free health check-up and awareness program for all patients of Spondyloarthritis was organized by Dr. Akshat Pandey.

13th May - Voting day in Indore, a special campaign was launched by IMA Indore to promote voting. All doctors were requested to provide discounted fees to all patients coming to their OPD/hospitals who will show their voting ink. Many doctors participated in the campaign and their names were mentioned in all IMA groups.

25th May - Honorary Secretary General, IMA, Dr. Anil Kumar Nayak and Financial secretary IMA Dr. Kshitij Bali came to Indore to attend the upcoming workshop on Tobacco prevention on 26th May. Both the dignitaries were recieved by President and secretary IMA Indore along with past President IMA Indore Dilip Kumar Acharya. Visit to Mahakal Ujjain was done and evening get together dinner was planned along with IMA Indore executive team.

26th May - In lieu of the upcoming World No Tobacco Day, on 26th May 2024, IMA Indore organized a "IMA WORKSHOP ON TOBACCO CONTROL" under the guidance of Dr. Dilip Kumar Acharya- National Chairman-IMA Cancer & Tobacco Control Committee and supported by WHO-SEARO. IMA (HQ) Hon Secy General Dr. AnilKumar J Nayak and IMA National Finance Secretary Dr. Shitij Bali graced the occasion. Dr. Jagdish Kaur, regional advisor TFI-WHO SEARO (online), Dr. Rana J Singh, director tobacco control south east Asia-vital strategies & Dr. Rakesh Gupta, president Rajasthan cancer foundation delivered informative lectures which were followed by an interesting QA session. Dr. Acharya moderated the symposium on "Tobacco & Diseases" in which learned speakers - Dr. Arvind Pancholia, Dr. Ulhas Mahajan, Dr. Arun Agrawal, Dr. Sandeep Julka, Dr. Sumeet Jain & Dr. Ravi Dosi spoke about the effect of Tobacco on their specialty fields. A folder for creating awareness about Health Hazards of Tobacco was also released on this occasion. The workshop was attended by more than 100 IMA, IDA, IMA-JDN, IMA-MSN members who also appreciated the interesting Tobacco Quiz conducted by Dr. Dilip Acharya. The winners of the Anti-Tobacco Slogan contest were also given prizes. IMA Indore has made around 40 new members in the last two months, and they were given IMA lapel pins by our HSG in the workshop.

Activities done by IMA Indore in the month of May

27th May - IMA Indore in collaboration with Radiance Health Clinic's senior Endocrinologist Dr. Sandip Julka organized a free Thyroid screening camp for Neonates and Mothers for 4 days.

27th May - IMA Indore came up with a corporate tie-up between Indore Marriott Hotel and the Indian Medical Association, Indore. There is a significant discount on food and beverages at various restaurants of Marriott Indore, applicable to all IMA Indore Members upon making their reservation in advance. This initiative is exclusively for members of IMA Indore. The partnership aims to provide our esteemed IMA members with special privileges and benefits during their visits to Marriott Indore Hotel.

29th May - IMA Indore president Dr Narendra patidar and officials reached the Pollution Board. Discussion was held with the regional manager of the Pollution Board, Mr. Dwivedi (RO) by the IMA Indore members regarding irregularities being done by the Houswin company on the following issues: - Arbitrary higher rates are being charged. - Irregular waste collection. - Sending bills to those clinics where waste is not being collected. - Misbehavior with female doctors by Houswin employees. - No policy to be made according to the specialty. President Dr. Narendra patidar planned to organise a big meeting and present its case in front of the district magistrate.

31st May - Another successful CME was conducted by IMA Indore yesterday in Hotel Crown palace. Speaker Dr. Pravin Dani, senior consultant physician spoke on the topic "Dengue - The Silent Killer". It was a productive and engaging session, with over 125 doctors in attendance.
